January 2001 Sunset Reviews: Final Result and Revocation

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of sunset reviews and revocation of antidumping duty order on manganese metal from the People's Republic of China.

SUMMARY: On January 2, 2001, the Department of Commerce ("the Department") initiated a sunset review of the antidumping duty order on manganese metal from the People's Republic of China ("PRC") (66 FR 94). Because the domestic interested parties have withdrawn, in full, their participation in the ongoing sunset reviews, the Department is revoking this antidumping duty order.

EFFECTIVE DATE: February 6, 2001.

FOR FURTHER INFORMATION CONTACT: Martha V. Douthit or James P. Maeder, Office of Policy, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-5050 or (202) 482-3330, respectively.

SUPPLEMENTARY INFORMATION:

The Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the "Act"), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act ("URAA"). In addition, unless otherwise indicated, all citations to the Department of Commerce's ("Department") regulations are to 19 CFR part 351 (2000).

Background

On February 6, 1996, the Department issued an antidumping duty order on manganese metal from the PRC, as amended (61 FR 4415). Pursuant to section 751(c) and 19 CFR part 351 in general, the Department initiated a sunset review of this order by publishing notice of the initiation in the **Federal Register** 66 FR 94 (January 2, 2001). In addition, as a courtesy to interested parties, the Department sent letters, via certified and registered mail, to each party listed on the Department's most current service list for this proceeding to inform them of the automatic initiation of a sunset review of this order.

We received a notice of intent to participate and a complete substantive response from Kerr-McGee Chemical LLC ("KMC") by the deadline dates (*see* 19 CFR 351.218(d)(1)(i)). On March 1, 2001, we received a notice from KMC withdrawing its notice of intent to participate. As a result, the Department determined that no domestic party intends to participate in the sunset review and, on March 7, 2001, we notified the International Trade Commission that we intended to issue a final determination revoking this antidumping duty order.

Determination To Revoke

Pursuant to section 751(c)(3)(A) of the Act and section 19 CFR 351.218(d)(1)(iii)(B)(3), if no domestic interested party responds to the notice of initiation, the Department shall issue a final determination, within 90 days after the initiation of the review, revoking the finding or order or terminating the suspended investigation. Because KMC withdrew

its notice of intent to participate and no other domestic interested party filed a substantive response, the Department finds that no domestic interested party is participating in this review and we are revoking this antidumping duty order.

Effective Date of Revocation

Pursuant to sections 751(c)(3)(A) and 751(d)(2) of the Act, and 19 CFR 351.222(i)(2)(i), the Department will instruct the Customs Service to terminate the suspension of liquidation of the merchandise subject to this order entered, or withdrawn from warehouse, on or after February 6, 2001. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation and countervailing duty deposit requirements. The Department will complete any pending administrative reviews of this order and will conduct administrative reviews of subject merchandise entered prior to the effective date of revocation in response to appropriately filed requests for review.

Effective January 20, 2001, Bernard T. Carreau is fulfilling the duties of the Assistant Secretary for Import Administration.

Dated: March 26, 2001.

Bernard T. Carreau,

Deputy Assistant Secretary, Import Administration.

Notice of Initiation of Five-Year ("Sunset") Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In accordance with section 751(c) of the Tariff Act of 1930, as amended ("the Act"), the Department of Commerce ("the Department") is automatically initiating five-year ("sunset") reviews of the antidumping duty orders listed below. The International Trade Commission ("the Commission") is publishing concurrently with this notice its notices of *Institution of Five-Year Reviews* covering these same orders.

FOR FURTHER INFORMATION CONTACT: James P. Maeder, or Martha V. Douthit, Office of Policy, Import Administration, International Trade Administration, U.S. Department of Commerce, at (202) 482-3330 or (202) 482-5050,

respectively, or Vera Libeau, Office of Investigations, U.S. International Trade Commission, at (202) 205-3176.

SUPPLEMENTARY INFORMATION:

The Applicable Statute

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the "Act"), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act ("URAA"). In addition, unless otherwise indicated, all citations to the Department of Commerce's ("Department") regulations are to 19

CFR part 351 (2000). Pursuant to sections 751(c) and 752 of the Act, an antidumping ("AD") or countervailing duty ("CVD") order will be revoked, or the suspended investigation will be terminated, unless revocation or termination would be likely to lead to continuation or recurrence of (1) dumping or a countervailable subsidy, and (2) material injury to the domestic industry.

The Department's procedures for the conduct of sunset reviews are set forth in 19 CFR 351.218. Guidance on methodological or analytical issues relevant to the Department's conduct of

sunset reviews is set forth in the Department's Policy Bulletin 98:3—*Policies Regarding the Conduct of Five-year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders*; Policy Bulletin, 63 FR 18871 (April 16, 1998) ("*Sunset Policy Bulletin*").

Background

Initiation of Reviews

In accordance with 19 CFR 351.218 we are initiating sunset reviews of the following antidumping duty orders:

DOC case No.	ITC case No.	Country	Product
A-570-842	TA-726	China	Polyvinyl Alcohol.
A-588-836	TA-727	Japan	Polyvinyl Alcohol.
A-583-824	TA-729	Taiwan	Polyvinyl Alcohol.

Filing Information

As a courtesy, we are making information related to sunset proceedings, including copies of the *Sunset Regulations* (19 CFR 351.218) and *Sunset Policy Bulletin*, the Department's schedule of sunset reviews, case history information (*i.e.*, previous margins, duty absorption determinations, scope language, import volumes), and service lists, available to the public on the Department's sunset internet website at the following address: "<http://ia.ita.doc.gov/sunset/>".

All submissions in these sunset reviews must be filed in accordance with the Department's regulations regarding format, translation, service, and certification of documents. These rules can be found at 19 CFR 351.303. Also, we suggest that parties check the Department's sunset website for any updates to the service list before filing any submissions. The Department will make additions to and/or deletions from the service list provided on the sunset website based on notifications from parties and participation in this review. Specifically, the Department will delete from the service list all parties that do not submit a substantive response to the notice of initiation.

Because deadlines in a sunset review are, in many instances, very short, we urge interested parties to apply for access to proprietary information under administrative protective order ("APO") immediately following publication in the **Federal Register** of the notice of initiation of the sunset review. The Department's regulations on submission of proprietary information and eligibility to receive access to business

proprietary information under APO can be found at 19 CFR 351.304-306.

Information Required From Interested Parties

Domestic interested parties (defined in 19 CFR 351.102) wishing to participate in these sunset reviews must respond not later than 15 days after the date of publication in the **Federal Register** of the notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). We note that the Department considers each of the orders listed above as separate and distinct orders and, therefore, requires order-specific submissions. In accordance with the Department's regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, the Department will automatically revoke the order without further review.

If we receive an order-specific notice of intent to participate from a domestic interested party, the Department's regulations provide that *all parties* wishing to participate in the sunset review must file substantive responses not later than 30 days after the date of publication in the **Federal Register** of the notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for foreign and domestic parties. Also, note that the Department's information requirements are distinct from the International Trade Commission's information requirements. Please consult the Department's regulations for information regarding the Department's

conduct of sunset reviews.¹ Please consult the Department's regulations at 19 CFR Part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

Effective January 20, 2001, Bernard T. Carreau is fulfilling the duties of the Assistant Secretary for Import Administration.

Dated: March 26, 2001.

¹ A number of parties commented that these interim-final regulations provided insufficient time for rebuttals to substantive responses to a notice of initiation, 19 CFR 351.218(d)(4). As provided in 19 CFR 351.302(b), the Department will consider individual requests for extension of that five-day deadline based upon a showing of good cause.
