

Peppers. I have attached print outs from the registry.”

(6) A statement on the impact this waiver will have on U.S. shipyards. According to the applicant: “Rather than being in conflict with any US shipyards, Achiever will add to their custom. Dutch Harbor’s shipyards offer excellent hauling facilities, which I will be interested in utilizing. Achiever is a steel yacht with many Standard American fixtures. The local facilities cater for all her needs.”

Comments should refer to the docket number of this notice and the vessel name in order for MARAD to properly consider the comments. Comments should also state the commenter’s interest in the waiver application, and address the waiver criteria given in § 388.4 of MARAD’S regulations at 46 CFR Part 388.

Vessel Proposed for Waiver of the U.S.-Build Requirement

(1) Name of vessel and owner for which waiver is requested. *Name of vessel:* APOLONIA. *Owner:* Phil W. Bolin.

(2) Size, capacity and tonnage of vessel. *According to the applicant:* “Boat is 43 feet long, 15.5 feet wide and weighs 36,000 pounds. Gross ton weight then is 18 tons.”

(3) Intended use for vessel, including geographic region of intended operation and trade. *According to the applicant:* “Vessel will be used to give evening cruises on Friday evenings, dinner cruises on Saturday evening and a few Potomac river cruises during the week. The vessel will be operated out of Colonial Beach Virginia on the Potomac River and on occasion in the Chesapeake Bay. The majority of the time the boat operation will be within 50 nautical miles of Colonial Beach. There is only one charter cruise

business in the area and that boat operates 45 minute cruises during the day. Based on an extensive survey, there are no businesses providing evening and dinner cruise service and I would not be competing with any other service, American built or otherwise.” “The area of operation is the mid Potomac River (home ported in Colonial Beach Virginia) and on occasion the boat would travel into the Chesapeake Bay.

(4) Date and Place of construction and (if applicable) rebuilding. *Date of construction:* 1987. *Place of construction:* Vista Yacht Company, (TAIWAN).

(5) A statement on the impact this waiver will have on other commercial passenger vessel operators. *According to the applicant:* “This waiver application will have no effect on existing operators as there are no operators that provide the service we are describing. While there are such operators out of ports on the Chesapeake we will not compete with them. We only charter from Colonial Beach and only occasionally go into Chesapeake waters. We will not take charters out of Chesapeake water ports.”

(6) A statement on the impact this waiver will have on U.S. shipyards. According to the applicant: “This will not affect shipyards at all, except that use of our boat will necessitate maintenance that will be offered to local US shipyards (small ones) for work.”
