### VIII. Other Questions

1. Does this funding expire at the end of Fiscal Year 2001? Will two year projects be considered?

Funding does not expire at the end of fiscal year 2001. The budget and cost estimates for two year projects should indicate what will be accomplished in each of the first and second years. The total amount of the grant does not change if the project period extends beyond two years.

2. May an eligible organization submit more than one proposal?

No. Organizations may receive funding for the development of either an inventory or an action plan, but not both.

3. May an eligible organization resubmit a proposal which was previously submitted to another competition for funding, but was not selected?

Yes.
