Agency form number: FR 4004.

OMB control number: 7100-0112.

Frequency: On occasion.

Reporters: state member bank.

Annual reporting hours: 47 hours.

Estimated average hours per response: 0.5 hours.

Number of respondents: 94.

Small businesses are affected.

General description of report: This recordkeeping requirement is mandatory (12 U.S.C. 1882), 12 U.S.C. 248(a)(1) and 325, and Regulation H (12 CFR 208.61) authorize the Board to require the recordkeeping of this information. Because written security programs are maintained at state member banks, no issue of confidentiality under the Freedom of Information Act normally arises. However, copies of such documents included in examination work papers would, in such form, be confidential pursuant to exemption 8 of the Freedom of Information Act (5 U.S.C. 552(b)(8)).

Abstract: This mandatory information collection is a recordkeeping requirement contained in the Federal Reserve's Regulation H Section 208.61. Each state member bank must develop and implement a written security program and maintain it in the bank's records. There is no formal reporting form and the information is not submitted to the Federal Reserve.

The Federal Trade Commission has accepted, subject to final approval, an agreement containing a consent order from Hewlett-Packard Company ("HP").

The proposed consent order has been placed on the public record for thirty (30) days for receipt of comments by interested persons. Comments received during this period will become part of the public record. After thirty (30) days, the Commission will again review the agreement and the comments received, and will decide whether it should withdraw from the agreement or make final the agreement's proposed order.

In fact, in order to access the Internet and their email accounts using the Jornada, when away from their computers ("remotely"), consumers must purchase and carry a separate
