AGENCY: Department of Education.
ACTION: Correction.

SUMMARY: We publish this notice to correct the Federal Student Aid Application File (18-11-01) by restoring a routine use for disclosures to third parties under computer matching programs that was inadvertently deleted when this notice was republished in the **Federal Register**. SUPPLEMENTARY INFORMATION:

General

On June 4, 1999, we republished in the **Federal Register** (64 FR 30105) virtually all of our systems of records, including this system of records. Due to technical errors, we amended this system of records in the **Federal Register** of December 27, 1999 (64 FR 72407) to correct the categories of records in the system. In the **Federal Register** of March 2, 2000 (65 FR 11294-95), we added routine uses numbers 10-15 to this system of records.

We recently discovered that we had inadvertently deleted a routine use involving disclosures to third parties under computer matching programs (former routine use j) from the Federal Student Aid Application File (18-11-01) when we republished this notice in the June 4, 1999 **Federal Register**. This notice restores that routine use.

Correction

In the Notice of New, Amended, Altered and Deleted Systems of Records published in the **Federal Register** on June 4, 1999 (64 FR 30105), make the following correction beginning on page 30160, in the first column, in the notice entitled "Federal Student Aid Application File (18-11-01)," under the heading "Routine Uses of Records Maintained in the System, Including Categories of Users and Purposes of Such Users," add the following numbered paragraph (16)

Note: Since the March 2, 2000 notice added routine uses numbers 10-15, this routine use is added as number (16)

(16) *Disclosures to third parties through computer matching programs.* Any information from this system of records, including personal information obtained from other agencies through computer matching programs, may be disclosed to any third party through a computer matching program in connection with an individual's application or participation in any grant or loan program administered by the U.S. Department of Education. Purposes of these disclosures may be to determine program eligibility and benefits, enforce the conditions and terms of the loan or grant, permit the servicing and

collecting of the loan or grant, counsel the individual in repayment efforts, investigate possible fraud and verify compliance with program regulations, locate a delinquent or defaulted debtor, and initiate legal action against an individual involved in program fraud or abuse.
