

result of a payment having been made on their behalf by the U.S. Government in response to a malpractice claim or litigation, for purposes or providing the provider an opportunity, consistent with the requirements of DoD Instruction 6025.15 and Army Regulation 40-68, to provide any pertinent information and to comment on expert opinions, relating to the claim for which payment has been made.

The DoD 'Blanket Routine Uses' set forth at the beginning of the Army's compilation of systems of records notices also apply to this system.

Note: Records of identity, diagnosis, prognosis, or treatment of any client/patient, irrespective of whether or when he/she ceases to be a client/patient, maintained in connection with the performance of any alcohol or drug abuse prevention and treatment function conducted, regulated, or directly or indirectly assisted by any department or agency of the United States, shall, except as provided therein, be confidential and be disclosed only for the purposes and under the circumstances expressly authorized in 42 U.S.C. 290dd-2. This statute takes precedence over the Privacy Act of 1974 in regard to accessibility of such records except to the individual to whom the record pertains. The DoD 'Blanket Routine Uses' do not apply to these types of records.

Policies and practices for storing, retrieving, accessing, retaining, and disposing of records in the system:

STORAGE:

Paper records in file folders; visible card files; microfiche; cassettes; magnetic tapes/discs; computer printouts; x-ray film preservers.

RETRIEVABILITY:

SAFEGUARDS:

Records are maintained in buildings which employ security guards and are accessed only by authorized personnel having an official need-to-know. Automated segments are protected by controlled system passwords governing access to data.

RETENTION AND DISPOSAL:

Military health/dental and procurement/separation x-ray records are permanent. Clinical (inpatient), outpatient, dental and consultation record files for military members are destroyed after 50-75 years.

All records (except the Military Health/Dental records) which are active while individual is on active duty, then retired with individual's Military Personnel Records Jacket and the procurement/separation x-ray records which are forwarded to the National

Personnel Records Center on an accumulation basis) are retained in an active file while treatment is provided and subsequently held for a period of 1 to 5 years following treatment before being retired to the National Personnel Records Center. Subsidiary medical records, of a temporary nature, are normally not retained long beyond termination of treatment; however, supporting documents determined to have significant documentation value to patient care and treatment are incorporated into the appropriate permanent record file.

Until the National Archives and Records Administration approves the disposition of Psychological Assessment and Selection Case records, treat as permanent.

BILLING CODE 5001-10-M

DEPARTMENT OF DEFENSE

Defense Logistics Agency

Privacy Act of 1974; Notice of a Computer Matching Program

AGENCY: Defense Manpower Data Center, Defense Logistics Agency, DoD.

ACTION: Notice of a computer matching program.

SUMMARY: Subsection (e)(12) of the Privacy Act of 1974, as amended, (5 U.S.C. 552a) requires agencies to publish advance notice of any proposed or revised computer matching program by the matching agency for public comment. The DoD, as the matching agency under the Privacy Act is hereby giving notice to the record subjects of a computer matching program between VA and DoD that their records are being matched by computer. The purpose of this match is to identify disability compensation recipients who return to active duty to insure benefits are adjusted or terminated, if appropriate, and steps taken to collect any resulting overpayment.

DATES: This proposed action will become effective May 14, 2001 and matching may commence unless

changes to the matching program are required due to public comments or by Congressional or by Office of Management and Budget objections. Any public comment must be received before the effective date.

ADDRESSES: Any interested party may submit written comments to the Director, Defense Privacy Office, 1941 Jefferson Davis Highway, Suite 920, Arlington, VA 22202-4502.

FOR FURTHER INFORMATION CONTACT: Mr. Vahan Moushegian, Jr. at telephone (703) 607-2943.

SUPPLEMENTARY INFORMATION: Pursuant to subsection (o) of the Privacy Act of 1974, as amended, (5 U.S.C. 552a), the DMDC and VA have concluded an agreement to conduct a computer matching program between the agencies. The purpose of the match is to exchange personal data between the agencies to identify disability compensation recipients who have returned to active duty and are therefore ineligible to receive VA compensation.

The parties to this agreement have determined that a computer matching program is the most efficient, expeditious, and effective means of obtaining and processing the information needed by the VA to identify ineligible VA disability compensation recipients who have returned to active duty. Using the computer matching program, information on successful matches (hits) can be provided to VA within 90 days of receipt of a magnetic tape of VA benefits record data. A computer match is the most efficient method, other than a manual search of all active duty military personnel records, to identify such cases if an individual does not report his/her own return to active duty.

A copy of the computer matching agreement between VA and DMDC is available upon request to the public. Requests should be submitted to the address caption above or to the Department of Veterans Affairs, Veterans Benefit Administration, 810 Vermont Avenue, NW, Washington, DC 20420.

Set forth below is the notice of the establishment of a computer matching program required by paragraph 6.c. of the Office of Management and Budget Guidelines on computer matching published in the **Federal Register** at 54 FR 25818 on June 19, 1989.

The matching agreement, as required by 5 U.S.C. 552a(r) of the Privacy Act, and an advance copy of this notice was submitted on March 30, 2001, to the Committee on Government Reform and Oversight of the House of Representatives, the Committee on Governmental Affairs of the Senate, and

the Administrator of the Office of Information and Regulatory Affairs, Office of Management and Budget pursuant to paragraph 4d of Appendix I to OMB Circular No. A-130, Federal Agency Responsibilities for Maintaining Records about Individuals,' dated February 8, 1996 (61 FR 6435).

Dated: April 6, 2001.

L.M. Bynum,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

Notice of a Computer Matching Program Between the Department of Veterans Affairs and the Department of Defense for Verification of Disability Compensation

A. Participating Agencies

Participants in this computer matching program are the Department of Veterans Affairs (VA) and the Defense Manpower Data Center (DMDC) of the Department of Defense (DoD). The VA is the source agency, i.e., the activity disclosing the records for the purpose of the match. The DMDC is the specific recipient activity or matching agency, i.e., the agency that actually performs the computer matching.

B. Purpose of the Match

The purpose of this agreement is to establish the conditions for a computer matching program between VA as the source agency and the DMDC as the recipient agency. The goal of this match is to identify VA disability benefit recipients who return to active duty and to ensure benefits are terminated if appropriate. VA will provide identifying information on disability compensation recipients to DMDC to match against a file of active duty (including full-time national Guard and Reserve) personnel. The purpose is to identify those recipients who have returned to active duty and are ineligible to receive VA compensation so that benefits can be adjusted or terminated, if in order.

C. Authority for Conducting the Match

The legal authority for conducting the matching program for use in the administration of the VA's Compensation and Pension Benefits Program is contained in 38 U.S.C. Part 5304(c), Prohibition Against Duplication of Benefits, which precludes pension, compensation, or retirement pay on account of any person's own service, for any period for which he receives active duty pay. The head of any Federal department or agency shall provide, pursuant to 38 U.S.C. Part 5106, such information as requested by VA for the purposes of determining eligibility for,
