

such instances, the Corporation may also provide up to \$800 per Fellow beyond the first 30 Fellows to support costs such as health insurance and member training and development.

Because these grants are fixed-amount awards, they do not require Corporation monitoring of actual costs incurred. The cost principles normally applicable to Federal awards do not apply. The sponsor assumes full financial responsibility for the program and must provide the additional financial support necessary to carry out their proposed AmeriCorps Promise Fellows program. The sponsor should indicate the amounts and types of additional financial support required for the program in the budget narrative of the application.

In addition to the approved grant amount, the Corporation will provide an education award to Fellows who successfully complete their term of service.

The project period is negotiable, but generally proposals should indicate a proposed program start date between October 1, 2001 and January 1, 2002.

The Corporation anticipates that these grants will cover up to a three-year period, subject to performance and the availability of appropriations. The funding opportunity announced under this Notice is to cover the first year.

#### Process for Selecting Sponsors

In selecting sponsors, the Corporation will use the following evaluation criteria:

- |                             |     |
|-----------------------------|-----|
| Program Design              | 60% |
| • Getting Things Done       |     |
| • Participant Development   |     |
| • Strengthening Communities |     |
| Organizational Capacity     | 25% |
| Budget/Cost Effectiveness   | 15% |

The Corporation will make all final decisions concerning approval of these grants. Upon initial approval of an application, the Corporation will enter into negotiations with the sponsor that may require revisions to the original grant proposal. Final approval of the application is contingent on completion of negotiations to the Corporation's satisfaction.

The Corporation anticipates announcing selected applicants under this announcement by August 15, 2001.
