SUPPLEMENTARY INFORMATION:

Title: Requisition for Food Coupon Books.

OMB Number: 0584-0022.

Form Number: FNS-260.

Expiration Date: 09/30/2001.

Type of Request: Revision of a currently approved collection.

Abstract: Section 7(e) of the Food Stamp Act of 1977, as amended, (the Act) (7 U.S.C. 2016(e)) requires the U.S. Department of Agriculture (USDA) to prescribe appropriate procedures for the delivery of food coupon books to coupon issuers. States and local agencies used Form FNS-260, Requisition for Food Coupon Books, to order supplies of coupon books. The forms are completed and submitted in hard copy or electronic format to the appropriate Food and Nutrition Service (FNS) regional office. The hard-copy format is normally used only when the electronic format is unavailable. The regional offices enter the order for coupon books into a database where it is automatically reviewed for conformance with policy for ordering. After the order passes the edit checks, FNS then transmits them electronically to the contractor who ships the coupon books. No coupon books are shipped until a completed order has been received and approved by FNS.

The need to print and order food coupons as the sole benefit delivery instrument for the Food Stamp Program has changed. Many areas of the country have switched to Electronic Benefit Transfer (EBT) Systems and no longer issue food coupons to participating households. This has resulted in a direct reduction in the number of States and local agencies completing and submitting food coupon book orders. However, some areas are still using coupons and we must continue to require these areas to order food coupon books. The Office of Management and Budget's (OMB) approval of this information collection expires on September 30, 2001. We intend to seek an extension of OMB's approval for an additional 3 years.

The number of respondents that must complete and submit food coupon orders is estimated to be 221 annually; a reduction of 779 respondents. It is

estimated that respondents will order coupons at least six times annually. It is further estimated that it takes about 30 minutes to complete and transmit the coupon book order. Thus, total annual burden associated with this information collection is estimated to be 663 hours annually (221 x 6 x 30 minutes).

Affected Public: State and local governments.

Estimated Number of Respondents: 221.

Estimated Number of Responses per respondent: 6.

Estimated Time per Response: one half hour.

Estimated Total Annual Burden: 663 hours; a reduction of 2337 hours annually.

Dated: April 5, 2001.

George A. Braley,

Acting Administrator.

assessment. The Forest Service is an equal opportunity organization.
