Housing Opportunities for Persons With AIDS Program Announcement of Funding Awards—FY 2000

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Announcement of funding awards.

SUMMARY: In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989, this notice announces the funding decisions made by the Department under the Fiscal Year 2000 Housing Opportunities for Persons with AIDS (HOPWA) program. The notice announces the selection of 22 project applications and two Technical Assistance applications under the FY 2000 HOPWA national competition which were announced under the Super Notice of Funding Availability (SuperNOFA) for Housing Community Development and Empowerment Programs. The notice contains the names of award winners and the amounts of the awards.

FOR FURTHER INFORMATION CONTACT: David Vos, Director, Office of HIV/AIDS Housing, Department of Housing and Urban Development, Room 7212, 451 Seventh Street, SW, Washington, DC

20410, telephone (202) 708-1934. The TDD number for the hearing impaired is (202) 708-2565. (These are not toll-free numbers). Information on HOPWA, community development and consolidated planning, and other HUD programs may also be obtained from the HUD Home Page on the World Wide Web. In addition to this competitive selection, 101 jurisdictions received formula based allocations during FY 2000 for \$207.2 million in HOPWA funds. Descriptions of the formula programs is found at www.hud.gov/cpd/hopwahom.html.

SUPPLEMENTARY INFORMATION. The purpose of the HOPWA program competition was to award project grants for housing assistance and supportive services under two categories of assistance: (1) Grants for special projects of national significance which, due to their innovative nature or their potential for replication, are likely to serve as effective models in addressing the needs of low-income persons living with HIV/AIDS and their families; and (2) grants for projects which are part of long-term comprehensive strategies for providing housing and related services for low-income persons living with HIV/AIDS and their families in areas that do not receive HOPWA formula allocations.

The purpose of the HOPWA Technical Assistance competition was to award grants that provide support for program operations. HUD established national goals for these funds: (1) Ensuring the sound management of HOPWA programs; and (2) targeting resources to underserved population.

The HOPWA assistance made available in this announcement is authorized by the AIDS Housing Opportunity Act (42 U.S.C. 12901), as amended by the Housing and Community Development Act of 1992 (Pub. L. 102-550, approved October 28, 1992) and was appropriated by the HUD Appropriations Act for 2000. The competition was announced in a SuperNOFA published in the **Federal Register** on February 24, 2000 (65 FR

9865). Each application was reviewed and rated on the basis of selection criteria contained in that Notice. A total of \$23.6 million was awarded to the 22 highest rated project applications in their ranked order and two technical assistance applications for \$1.74 million.

Public Benefit. The award of HOPWA funds to these 22 projects will significantly contribute to HUD's mission in supporting projects that provide safe, decent and affordable housing for persons living with HIV/AIDS and their families who are at risk of homelessness. The projects proposed to use HOPWA funds to support the provision of housing assistance to an estimated 2,700 low-income people with HIV/AIDS and their families. In addition, an estimated 5,100 persons with HIV/AIDS are expected to benefit from some form of supportive service or housing information referral service that will help enable the client to maintain housing and avoid homelessness. The recipients of this assistance are expected to be very-low income or low-income households. These 22 applicants also documented that the Federal funds awarded in this competition, \$23.6 million, will leverage an additional \$49 million in other funds and non-cash resources including the contribution of volunteer time in support of these projects, valued at \$10/hour. The leveraged resources will expand the HOPWA assistance being awarded by 208 percent.

A total of \$23.6 million was awarded to these 22 organizations to serve clients in the eighteen listed States:
