Bureau of Indian Affairs

Tribal Consultation on Indian Education Topics

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice of tribal consultation meeting.

SUMMARY: Notice is hereby given that the Bureau of Indian Affairs (BIA) will conduct a consultation meeting to obtain oral and written comments concerning revisions to the application, instructions, and ranking criteria for replacement construction of education facilities for the 2001 priority ranking process.

DATES: The consultation meeting will be held May 1 through May 3, 2001 in Albuquerque, New Mexico at the address noted below. Written comments must be received on or before April 24, 2001 at the address below. The meeting will begin each day at 9:00 a.m. and continue until 3:00 p.m. (local time) or until all meeting participants have had an opportunity to make comments.

ADDRESSES: The meeting will be held at the Wyndham Hotel (Albuquerque Airport), 2910 Yale Boulevard SE, Albuquerque, New Mexico 87106, tel. 505-843-7000.

Send written comments on the consultation topic to the BIA Office of Indian Education Programs at 1849 C St. NW, MS-3512 MIB, Washington, D.C. 20240 or to 201 Third St. NW, Suite 510, Albuquerque, New Mexico 87103.

FOR FURTHER INFORMATION CONTACT: Comments regarding the application process, instructions, or ranking criteria may be submitted to Dr. Kenneth G.

Ross, Special Assistant to the Director, Office of Indian Education Programs, 201 Third St. NW, Suite 510, Albuquerque, New Mexico 87103, (505) 346-6544, Fax (505)346-6553, or to applicable Education Line Officers.

SUPPLEMENTARY INFORMATION: The meeting is a follow-up to the replacement school application and priority ranking process conducted by the BIA in 1999. The session will provide an opportunity for Indian tribes, school boards, parents, Indian organizations, and other interested parties to comment on issues raised during the previous ranking process and possible changes to be made in the 2001 ranking process. The proposed ranking of replacement school applications for future construction supports the Administration's commitment to improve educational teaching and learning environments for Native American children by replacing deteriorated school structures with quality educational facilities.

The Bureau's application evaluation criteria have been developed to determine the extent of unfavorable conditions which may exist at an educational facility. The criteria are intended to provide information regarding: structural problems; deteriorated infrastructure and facility conditions; building and building system code violations; unmet health, safety, and handicapped requirements; and the unmet spatial and educational program needs of Bureau-funded schools. Applications for school projects will be evaluated and rated against the published criteria. The highest ranking projects will be identified for future budget requests as specified in the Bureau's annually updated 5-Year Plan for Capital Asset Management.

25 U.S.C. 2005(c) requires the Bureau to prepare and submit a list of proposed projects, ranked in priority order, when any budget request for school construction is presented. The Bureau uses the priority list to determine the order in which Congressional appropriations are requested to fund educational facilities replacement construction projects. This ensures that scarce Federal resources will be used to correct the most severe deficiencies at Bureau-funded educational facilities.

The Bureau, by individual letter, has notified the Tribes and Tribal school boards regarding the scheduled consultation meeting. In addition, notice of the meeting has been announced and distributed nationwide in the Bureau's facilities management newsletter. The meeting supports administrative policy on tribal

consultation by encouraging maximum direct participation of representatives of tribal governments, tribal organizations, and BIA funded schools in important processes.

This notice is published in accordance with the authority delegated by the Secretary of the Interior to the Assistant Secretary—Indian Affairs by 209 DM 8.1.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 332-227]

Annual Report on the Impact of the Caribbean Basin Economic Recovery Act on U.S. Industries and Consumers and Beneficiary Countries

AGENCY: United States International Trade Commission.

ACTION: Notice of opportunity to submit comments in connection with the 2000 biennial report.

EFFECTIVE DATES: April 11, 2001.

FOR FURTHER INFORMATION CONTACT: Thomas Jennings (202-205-3260), Country and Regional Analysis Division, Office of Economics, U.S. International Trade Commission, Washington, DC 20436.

Background: Section 215(a) of the Caribbean Basin Economic Recovery Act (CBERA) (19 U.S.C. 2704(a)), as amended, requires that the Commission submit biennial reports to the Congress and the President regarding the economic impact of the Act on U.S. industries and consumers, and on beneficiary countries. Section 215(b)(1) requires that the reports include:

(1) The actual economic effect of CBERA on the U.S. economy generally as well as on specific industries which produce articles that are like, or directly competitive with, articles being imported under the Act; and

(2) The probable future effect of CBERA on the U.S. economy generally and on industries affected by the Act.

(3) The impact of CBERA in promoting export-oriented growth and diversification of production in the beneficiary countries.

The latter item constitutes an addition to the Commission's mandated reporting requirement and will be undertaken for the first time as part of this year's report. The United States-Caribbean Basin Trade Partnership Act (19 U.S.C. 2701), Title II of the Trade and Development Act of 2000, amended the original CBERA legislation by broadening the scope of the Commission's reporting requirement and modifying the frequency of Commission reporting. The

requirement was changed from an annual to a biennial report.

Notice of institution of the investigation and the schedule for such reports was published in the **Federal Register** of May 14, 1986 (51 FR 17678). The fifteenth report, covering calendar year 2000, is to be submitted by September 30, 2001.

Written Submissions: The Commission does not plan to hold a public hearing in connection with the preparation of this fifteenth report. However, interested persons are invited to submit written statements concerning the matters to be addressed in the report. Commercial or financial information that a party desires the Commission to treat as confidential must be submitted on separate sheets of paper, each clearly marked "Confidential Business Information" at the top. All submissions requesting confidential treatment must conform with the requirements of section 201.6 of the Commission's Rules of Practice and Procedure (19 CFR 201.6). All written submissions, except for confidential business information, will be made available for inspection by interested persons in the Office of the Secretary to the Commission. To be assured of consideration by the Commission, written statements relating to the Commission's report should be submitted at the earliest practical date and should be received no later than June 29, 2001.

Address all submissions to the Secretary to the Commission, U.S. International Trade Commission, 500 E St., SW., Washington, DC 20436. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

Issued: April 11, 2001.

By order of the Commission.

Donna R. Koehnke,

Secretary.
