Notice of Availability of Funds; Friendly Access and Workforce Development

A. Purpose

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year (FY) 2001 funds for a cooperative agreement program for Friendly Access and Workforce Development. CDC is committed to achieving the health promotion and disease prevention objectives of "Healthy People 2010," a national activity to reduce morbidity and mortality and improve the quality of life. This announcement is related to focus areas of Access to Quality Health Services; Maternal, Infant, and Child Health; and Public Health Infrastructure. For the conference copy of "Healthy People 2010," visit the internet site: <http://www.health.gov/healthypeople>.

The purpose of the program is to improve the quality of perinatal and early childhood health services delivery through community-based demonstration projects that incorporate, evaluation, intervention development, training, and public health leadership.

B. Eligible Applicant

Assistance will be provided only to the Lawton and Rhea Chiles Center for Healthy Mothers and Babies Friendly Access Program, University of South Florida. No other applications are solicited. The Conference Report H.R. 4577, consolidated appropriations ACT, 2001, specified these funds for Lawton and Rhea Chiles Center.

C. Availability of Funds

Approximately \$2,800,000 is available in FY 2001 to fund one award. It is expected that the award will begin on or about July 15, 2001, and will be made for a 12-month budget period within a one year project period. Funding estimates may change.

Direct Assistance

You may request Federal personnel, as direct assistance, in lieu of a portion of financial assistance.

Grant for Reducing Unintentional Injuries Among Children in Public Housing; Notice of Availability of Funds

A. Purpose

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year (FY) 2001 funds for a grant to reduce unintentional injuries among children in public housing. This program addresses the "Healthy People 2010" focus area of Injury and Violence Prevention. The purpose of this program is to reduce the burden of unintentional injuries among children 14 years and younger who reside in public housing and communities through training and technical assistance to parents, other care-givers, and community leaders.

B. Eligible Applicants

Assistance will be provided only to the National SAFE KIDS Campaign, Washington, D.C. No other applications are solicited. FY 2001 federal appropriations specifically directs CDC to award funds to this organization.

Note: Title 2 of the United States Code, Chapter 26, Section 1611 states that an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 that engages in lobbying activities is not eligible to receive Federal funds constituting an award, grant, cooperative agreement, contract, loan, or any other form.

C. Availability of Funds

Approximately \$400,000 is available in FY 2001 to fund one award. It is expected that the award will begin on or about September 1, 2001, and will be made for a 12-month budget period within a one-year project period.

Use of Funds: funds may not be used for human subject research.
