Notice of Availability of Funds; Nutrition and Physical Fitness Programs

A. Purpose

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year (FY) 2001 funds for grant programs for Nutrition and Physical Fitness Programs. This program addresses the "Healthy People 2010" focus areas of Nutrition and Overweight, and Physical Activity and Fitness.

The purpose of the program is to establish and strengthen nutrition and physical activity programs to prevent physical fitness and nutrition related health problems.

B. Eligible Applicants

Assistance will be provided only to the organizations listed below. No other applications are solicited. The Conference Report H.R. 4577, Consolidated Appropriations Act, 2001, specified these funds for the organizations listed below.

1. Grenada Lake Medical Center in Grenada, Mississippi, to conduct a demonstration project on physical fitness to shift the community focus on healthcare from "sickness" to "health" becoming a prototype for health status improvement in small and rural communities. (\$430,013)

2. Institutes for Health, Science, and Society, in Greensboro, North Carolina, for the Children's Healthy Life Skills initiative to coordinate, implement and assess the effectiveness of specific interventions designed to promote fitness and prevent obesity in children. (\$277,969)

3. National Youth Fitness and Obesity Institute at the University of Northern Iowa, to conduct a demonstration project on physical fitness in rural areas. (\$233,196)

C. Availability of Funds

Approximately \$941,178 is available in FY 2001 to fund three awards. It is expected that the award will begin on or about July 15, 2001, and will be made for a 12-month budget period within a one-year project period. Funding estimates may change.

Notice of Availability of Funds; Improving Patient Safety and Health Outcomes

A. Purpose

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year (FY) 2001 funds for a cooperative agreement program with the Iowa Department of Public Health. This program addresses the "Healthy People 2010" focus area of Immunization and Infectious Diseases. For additional information on "Healthy People 2010" visit the internet site: <http://www.health.gov/healthypeople>.

The purpose of the program is to address the occurrence of medical errors by implementing a system-wide strategy in Iowa to improve patient safety and health outcomes.

B. Eligible Applicants

Assistance will be provided only to the Iowa Department of Public Health. No other applications are solicited.

Eligibility is limited to the Iowa Department of Public Health because Fiscal Year 2001 Federal appropriations specifically directs CDC to award this applicant funds to implement a system wide strategy to improve patient safety and health outcomes.

The House of Representatives Conference Report accompanying the Departments of Labor, Health and Human Services, and Education and Related Agencies Appropriation Bill, 2000 (Pub. L. 106-544), recognized the Iowa Department of Public Health's unique qualifications for carrying out the activities specified in this cooperative agreement (H.R. Rep. 106-1033).

Note: Title 2 of the United States Code, chapter 26, section 1611 states that an organization described in section 501(c)(4) of the Internal Revenue Code of 1986 that engages in lobbying activities is not eligible to receive Federal funds constituting an award, grant, cooperative agreement, contract, loan or any other form.

C. Availability of Funds

Approximately \$422,000 is available in FY 2001 to fund the award. It is expected that the award will begin on or about August 1, 2001, and will be made for a 12-month budget period within a project period of one year. The funding estimate may change.
