The information is used to conduct the checks of the FBI fingerprint files that are required by Executive Order 10450, Security Requirements for Government Employment, issued April 27, 1953, or required or authorized under other authorities.

Comments are particularly invited on the following:

- Whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; and
- Ways in which we can minimize the burden of collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

Approximately 250,000 SF 87 and SF 87A's are completed annually. We estimate it takes approximately 5 minutes to complete the form. The annual burden is estimated at 20,833 hours.
