#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

The S–K Program provides financial assistance on a competitive basis for research and development projects that benefit U.S. fishing communities. In addition to standard Federal government grant application requirements, S–K applications must provide a project summary form (NOAA Form 88–204), use NOAA Form 88–0205 instead of SF–424A for budget information, and provide nine copies of applications. Successful grants applicants are required to submit semi-annual progress reports and a final report.
