SUPPLEMENTARY INFORMATION:**I. Background**

The ETA 207 Report, Nonmonetary Determinations, contains State data on the number and types of issues that arise and data on the denials of benefits that may result due to reasons associated with a claimant's reason for separation from work such as voluntary leaving, or questions of continuing eligibility such as refusal of suitable work. These data are used by the Office of Workforce Security (OWS) to determine workload counts, to enable the OWS to evaluate the adequacy and effectiveness of nonmonetary determination procedures, and to

evaluate the impact of State and Federal legislation with respect to disqualifications.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- enhance the quality, utility, and clarity of the information to be collected; and * minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. Current Actions

The continued collection of the information contained on the ETA 207 report is necessary to enable the national office to continue evaluating State performance in the nonmonetary determination area and to continue using the data as a key input to the administrative funding process.

Unilever-Bestfoods, Lipton, Conopco, Inc., Dallas, Texas; Amended Certification Regarding Eligibility To Apply for NAFTA-Transitional Adjustment Assistance

In accordance with Section 250(A), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974 (19 U.S.C. 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on February 5, 2001, applicable to workers of Unilever-Bestfoods, Lipton, Dallas, Texas. The notice was published in the **Federal Register** on March 2, 2001 (66 FR 13087).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of 50 pound bulk margarine cubes. Accordingly, the Department is amending the certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of Unilever-Bestfoods, Lipton, who were adversely affected by a shift of production of margarine to Canada.

The amended notice applicable to NAFTA-04392 is hereby issued as follows:

All workers of Unilever-Bestfoods, Lipton, Conopco, Inc., Dallas, Texas, who became totally or partially separated from employment on or after December 5, 1999, through February 5, 2003, are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.
