#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

The U.S. Department of Commerce's International Trade Administration (ITA), in collaboration with the International Fund for Ireland (IFI), has established the American Management & Business Internship Training (AMBIT) program. AMBIT provides one-week to six-month training programs for

managers and technical experts from Northern Ireland and the Border Counties of Ireland, thereby improving their skills while enhancing U.S. commercial opportunities in the region. AMBIT was launched in 1995 to demonstrate America's interest in supporting the peace process by encouraging economic development in Northern Ireland and the Six Border Counties of Ireland.

The U.S. Department of Commerce works in partnership with the IFI, an organization established in 1986 by the British and Irish Governments to promote economic/social progress and to encourage contact, dialog, and reconciliation in the region. The United States, the European Union, Canada, Australia, and New Zealand contribute to the IFI budget.

##### II. Method of Collection

The intern applications are sent to intern candidates via facsimile, e-mail, or mail upon request by a delegated agency of the IFI. Feedback surveys are given to participating companies and interns at the completion of the programs.

#### SUPPLEMENTARY INFORMATION:

##### I. Abstract

The Special American Business Internship Training (SABIT) programs of the Department of Commerce's International Trade Administration (ITA), are a key element in the U.S. Government's efforts to support the economic transition of the Newly Independent States (NIS) of the former Soviet Union. SABIT places business executives and scientists from the Independent States in U.S. firms for one-to-six month internships to gain firsthand experiences working in a market economy. This unique private sector-U.S. Government partnership was created in order to tap the U.S. private sector's expertise in assisting the NIS's
