ACTION: Proposed rule.

SUMMARY: On March 30, 1999, the Commonwealth of Kentucky submitted, through the Natural Resources and Environmental Protection Cabinet, a source specific revision to the Kentucky State Implementation Plan (SIP). If no adverse comments are received in response to that direct final rule no further activity is contemplated in relation to this proposed rule. If EPA receives adverse comments, the direct

final rule will be withdrawn and all public comments will be addressed in a subsequent final rule based on this proposed rule. The EPA will not institute a second comment period on this document. Any parties interested in commenting should do so at this time.
