

appear to restrict the scope of the petition and that it was (and is) the petitioner's intent that multi-ingredient meat products (whether containing cooked or uncooked meat or poultry) be included in the scope of the pending petition.

Therefore, FDA is amending the filing notice of January 5, 2000, to indicate that the petitioner has requested that the food additive regulations be amended to permit the irradiation of multi-ingredient foods containing uncooked meat or poultry.

The agency has determined under 21 CFR 25.32(i) that this action is of a type that does not individually or cumulatively have a significant effect on the human environment. Therefore, neither an environmental assessment nor an environmental impact statement is required.
