SUPPLEMENTARY INFORMATION:

I. Background

The National Youth Anti-Drug Media Campaign is a component within the ONDCP that is partnering with the Advertising Council to create a public service campaign that will generate awareness and involvement in local community anti-drug coalitions that mobilize communities to engage in drug prevention measures. To assist the development of the public service campaign, ONDCP proposes to obtain information to sample the awareness, attitudes and willingness of adults 18 years of age and older in order to participate in community anti-drug coalitions.
