Needs and Uses: Section 73.3550 provides that all requests for new or modified call signs be made via the on-line call sign reservation and authorization. The Commission uses an on-line system (FCC 380) for the electronic preparation and submission of requests for the reservation and authorization of new and modified call signs. Access to the call sign reservation and authorization system is made by broadcast licensees and permittees, or by persons acting on their behalf, via the Internet's World Wide Web. This on-line, electronic call sign system enables users to determine the availability and licensing status of call signs; to request an initial, or change an existing, call sign; and to determine and submit more easily the appropriate fee, if any. Section 74.783 also permits any low power television (LPTV) station to request a four-letter call sign after receiving its construction permit. All initial LPTV construction permits will continue to be issued with a five-character alpha-numeric LPTV call sign. LPTV licensees/permittees are also required to use the on-line call sign reservation and authorization system. The call sign reservation and authorization system is used by permittees, licensees or persons acting on their behalf to determine the availability of a call sign and to request an initial call sign or change an existing call sign.

Federal Communications Commission.

Title: TANF High Performance Bonus Report, Assessment of Medicaid and SCHIP Enrollment.

OMB No.: New Collection.

Description: Public Law 104-93 (PRWORA) established the Temporary Assistance for Needy Families (TANF) Program. It also included provisions for rewarding States that attain the highest levels of success in achieving the legislative goals of that program. The purpose of this collection is to obtain data upon which to base the computation for measuring State performance in meeting those goals by providing Medicaid and SCHIP work supports. DHHS will use the information to allocate the Medicaid/SCHIP portion of the bonus grant funds appropriated under the law and implemented by 45 CFR Part 270 published on August 30, 2000. States will not be required to submit this information unless they elect to compete in a Medicaid/SCHIP measure for the TANF High Performance Bonus awards in Federal fiscal years 2002 or 2003, or any subsequent Federal fiscal year for which Congress authorizes and appropriates bonus funds.

Respondents: Respondents may include any of the 50 States, the District of Columbia, and the U.S. Territories of Guam, Puerto Rico, and the Virgin Islands.
