Celerity Energy of New Mexico, LLC; Notice of Issuance of Order

May 15, 2001.

Celerity Energy of New Mexico, LLC (Celerity) submitted for filing a rate schedule under which Celerity will engage in wholesale electric power and energy transactions at market-based rates. Celerity also requested waiver of various Commission regulations. In particular, Celerity requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by Celerity.

On May 3, 2001, pursuant to delegated authority, the Director, Division of Corporate Applications, Office of Markets, Tariffs and Rates, granted requests from blanket approval under Part 34, subject to the following.

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Celerity should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request to be heard in opposition within this period, Celerity is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect to any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of the applicant, and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Celerity's issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is June 4, 2001.
