Section 304 of Public Law 106-419 replaces the previous 38 U.S.C. 5503(b)(1)(A) estate limitation threshold of \$1,500 for withholding of benefits, and \$500 for resumption of benefits.

The provision affects certain incompetent, hospitalized or institutionalized veterans who do not have a dependent spouse or child.

The new estate value limit for withholding of benefits is increased to five times the 100 percent service-connected disability rate for a veteran who does not have dependents. The estate value amount at which benefits may be resumed is now one half of that rate. This new formula will cause the estate limitation threshold to change with each change to basic compensation rates.

As a result, and effective November 1, 2000, the estate limitation threshold is increased to \$10,180 for withholding of benefits, and \$5,090 for resumption of benefits. This is based on compensation
