Emergency Clearance: Public Information Collection Requirements Submitted to the Office of Management and Budget (OMB)

In compliance with the requirements of Section 3506(c)(2)(A) of the

Paperwork Reduction Act of 1995, the Department of Health and Human Services (DHHS), Office of the Secretary has submitted to the Office of Management and Budget (OMB). We are requesting an emergency review because the collection of information as described below is needed prior to expiration of the normal time limits for OMB review as established in 5 CFR 1320. Section 703 of Public Law 106-113 requires the Secretary to conduct an evaluation of State Children's Health Insurance Programs and submit the results to Congress no later than December 31, 2001. Following the normal information collection clearance procedures would cause this statutory deadline to be missed.

DHHS is requesting that OMB grant emergency approval by June 22, 2001 for a period of 180 days.
