

the ratio of the total amount of the dumping margins calculated for the examined sales to the total entered value of those same sales. In order to estimate the entered value, we will subtract applicable movement expenses from the gross sales value. In accordance with 19 CFR 351.106(c)(2), we will instruct Customs to liquidate without regard to antidumping duties all entries of subject merchandise during the POR from Huanri General and Meita for which the importer-specific assessment rate is zero or *de minimis* (i.e., less than 0.50 percent). For entries subject to the PRC-wide rate, Customs shall assess *ad valorem* duties at the rate established in the LTFV investigation. The Department will issue appropriate appraisement instructions directly to Customs upon completion of this review.

Cash Deposit Requirements

Upon completion of this new shipper review, for entries from Huanri General and Meita, we will require cash deposits at the rates established in the final results pursuant to 19 CFR 351.214(e) and as further described below.

The following deposit requirements will be effective upon publication of the final results of this new shipper antidumping duty administrative review for all shipments of brake rotors from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(1) of the Act: (1) The cash deposit rates for Huanri General and Meita will be the rates established in the final results; (2) the cash deposit rate for PRC exporters who received a separate rate in a prior segment of the proceeding will continue to be the rate assigned in that segment of the proceeding; (3) the cash deposit rate for the PRC NME entity (including Concord) will continue to be 43.32 percent; and (4) the cash deposit rate for non-PRC exporters of subject merchandise from the PRC will be the rate applicable to the PRC supplier of that exporter. These requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that

reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This new shipper administrative review and notice are in accordance with section 751(a)(1) and (2)(B) of the Act (19 U.S.C. 1675(a)(1) and (2)(B)) and 19 CFR 351.214.

Dated: May 21, 2001.

Faryar Shirzad,

Assistant Secretary for Import Administration.
