

Based on its review of the petition and the information received, CITA has determined that the petition has not established that this yarn cannot be supplied by the domestic industry in commercial quantities in a timely manner. CITA finds that there is substantial U.S. capacity to produce this yarn, and the petition does not demonstrate the contrary. CITA concludes in the context of this petition that U.S. producers have the ability to supply this yarn in commercial quantities in a timely manner. Val D'or and Malden Mills' request is denied.

D. Michael Hutchinson,
