

San Jose Mercury News—provides local, national, and international news coverage. Bureaus in Sacramento and Washington, DC, enable the newspaper to provide full coverage of state and Federal Government news. Particular emphasis is given to high technology and the developments in the industries of Silicon Valley, including coverage of the following companies: Hewlett-Packard, Apple Computer, Consolidated Freightways, Intel, Amdahl, Sun Microsystems, National Semiconductor, Tandem Computers, Seagate Technology, and Syntex. Bureaus in Tokyo, Mexico City, Los Angeles, and Seattle enable the San Jose Mercury News to focus on business and economic developments of the Pacific Rim. Other major areas of coverage include science, medicine, and real estate.

SciSearch®—is an international, multidisciplinary index to the literature of science, technology, biomedicine, and related disciplines produced by the Institute for Scientific Information™ (ISI™). *SciSearch* contains all of the records published in the Science Citation Index® (SCI®), plus additional records from the Current Contents® publications.

Social SciSearch®—database is an international, multidisciplinary index to the literature of the social, behavioral, and related sciences, produced by the Institute for Scientific Information (ISI)®. *Social SciSearch* contains all of the records published in the Social Sciences Citation Index.

Softbase: Reviews, Companies, and Products—is a suite of three discrete record types: review records, product records, and company records. The three linked and inter-related record types can be used separately or together, providing an important navigation tool for researchers in the intelligent information technology industry. Detailed descriptions of products in the product record file and of companies in the company record file can be linked to each other and to independent third-party reviews and analyses abstracted from more than 200 business, computer, technical, trade, and consumer publications.

Trade & Industry Database™ (Gale Group Trade & Industry Database™)—is a multi-industry database covering international company, industry, product, and market information, with strong coverage of such areas as management techniques, financial earnings, economic climate, product evaluations, and executive changes. Industry subfiles allow users to narrow or broaden their searches to one or more groups of industry specific publications.

Transportation Research Information Services—is a composite file with records that are either abstracts of published articles and reports, or summaries of ongoing or recently completed research projects relevant to the planning, development, operation, and performance of transportation systems and their components. TRIS provides international coverage of ongoing research projects, published journal articles, state and Federal Government reports, conference proceedings, research and technical papers, and monographs.

Wall Street Journal Abstracts—contains abstracts of all articles published in the

Eastern 3-star Edition of The Wall Street Journal newspaper. The Wall Street Journal is a daily newspaper valued worldwide for its coverage of business, finance, and economics.

Wilson Applied Science & Technology Abstracts—provides comprehensive abstracting and indexing of more than 400 core English-language scientific and technical publications. Non-English-language periodicals are indexed if English abstracts are provided. Periodical coverage includes trade and industrial publications, journals issued by professional and technical societies, and specialized subject periodicals, as well as special issues such as buyers' guides, directories, and conference proceedings. *Wilson Applied Science & Technology Abstracts* covers a wide range of interdisciplinary fields through a broad array of science and technology journals. Detailed abstracts of 50 to 150 words describe the content and scope of the source articles. Materials indexed include feature articles, interviews, obituaries, biographies, speeches, and product evaluations.

WIPO/PCT Patents Full-Text—covers the full text of PCT (Patent Cooperation Treaty) published applications issued under the auspices of the World Intellectual Property Organization (WIPO) since 1983. At present, 171 member states participate in the PCT system. A single PCT application can be designated as valid in any or all of the member states, so it is essentially equivalent to having filed with each designated national and regional patent office.

World Reporter—is a comprehensive, global news source, developed jointly by three of the world's leading information companies: The Dialog Corporation, Financial Times Information, and Dow Jones & Company. *World Reporter* covers the leading newspapers, business magazines, and newswires from all regions of the world, including emerging markets.

DEFENSE NUCLEAR FACILITIES SAFETY BOARD

FOIA Fee Schedule Update

AGENCY: Defense Nuclear Facilities Safety Board.

ACTION: Notice.

SUMMARY: The Defense Nuclear Facilities Safety Board is publishing its annual update to the Freedom of Information Act (FOIA) Fee Schedule pursuant to 10 CFR 1703.107(b)(6) of the Board's regulations.

EFFECTIVE DATE: June 1, 2001.

FOR FURTHER INFORMATION CONTACT: Kenneth M. Pusateri, General Manager, Defense Nuclear Facilities Safety Board, 625 Indiana Avenue, NW, Suite 700, Washington, DC 20004-2901, (202) 694-7060.

SUPPLEMENTARY INFORMATION: The FOIA requires each Federal agency covered by the Act to specify a schedule of fees applicable to processing of requests for agency records. 5 U.S.C. 552(a)(4)(i). On March 15, 1991, the Board published for comment in the **Federal Register** its proposed FOIA Fee Schedule. 56 FR 11114. No comments were received in response to that notice and the Board issued a final Fee Schedule on May 6, 1991.

Pursuant to 10 CFR 1703.107(b)(6) of the Board's regulations, the Board's General Manager will update the FOIA Fee Schedule once every 12 months. Previous Fee Schedule updates were published in the **Federal Register** and went into effect, most recently, on June 6, 2000, 65 FR 35810.

Board Action

Accordingly, the Board issues the following schedule of updated fees for services performed in response to FOIA requests:
