

Amend the analysis accompanying Part IV, para 100a by inserting the following at the end thereof:

200 Amendment: The sample specification was amended to add the word "wantonly" to make the sample specification consistent with the elements. The phrase "serious bodily harm" has been changed to read "grievous bodily harm" in the sample specification to parallel the language in the elements. Similarly, in the *Explanation*, the phrase "serious injury" was modified to read "grievous bodily harm." The format of the sample specification was also modified to follow the format of other sample specifications in the MCM.

Insert DoD Directive 5500.17, "The Roles and Responsibilities of the Joint Service Committee (JSC) on Military Justice" as Appendix 26.

Members of the public are hereby invited to submit proposals for changes to the Manual for Courts-Martial for consideration by the JSC. All submissions should be received by the close of the public comment period in order to be considered in the next annual review cycle. Proposals should include reference to the specific provision you wish changed, a rationale for the proposed change, and specific and detailed proposed language to replace the current language. Incomplete submissions may not be considered. The individual or agency submitting each proposal will be notified in writing whether the JSC voted to decline the proposal as not within the JSC's cognizance, reject it, table, or accept it.

During this meeting inquiries will relate to the internal personnel rules and practices of the Academy, may involve on-going criminal

investigations, and include discussions of personal information the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. The executive session of this meeting will be closed to the public.

DATES: The meeting will be held on Monday, June 11, 2001, from 8:30 a.m. to 11:45 a.m. The closed Executive Session will be from 10:50 a.m. to 11:45 a.m.

Discussion of such information cannot be adequately segregated from other topics, which precludes opening the executive session of this meeting to the public. In accordance with 5 U.S.C. Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before August 6, 2001.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Regulatory Information Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.
