 Title: Assessment of Fees—12 CFR 8.  
 OMB Number: 1557-0223.

Description: The OCC is requesting comment on its proposed extension, without change, of the information collection titled, "Assessment of Fees—12 CFR 8." The National Bank Act authorizes the OCC to collect assessments, fees, and other charges as necessary or appropriate to carry out the responsibilities of the OCC. The OCC will require national banks to provide the OCC with "receivables attributable" data from independent credit card banks, that is, national banks that primarily engage in credit card operations and are not affiliated with a full service national bank. "Receivables attributable" are the total amount of outstanding balances due on credit card accounts owned by an independent credit card bank (the receivables attributable to those accounts) on the last day of an assessment period, minus receivables retained on the bank's balance sheet as of that day. The OCC will use the information to verify the accuracy of each bank's assessment computation and to adjust the assessment rate for independent credit card banks over time.
