Williams Gas Pipelines Central, Inc.,  
Notice of Filing

June 7, 2001.

Take notice that on May 31, 2001, Williams Gas Pipelines Central, Inc. Williams states that since it does not have sufficient information at a working interest owner level to determine the ad valorem taxes and related interest for each applicable year of the refund period (1984 through 1988), it is proposing to calculate the jurisdictional portion of the refunds based on the jurisdictional percentage for the entire period.

Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
