Sunset Date/Status Table of TSCA Section 4 and 12(b) Activities; Notice of Availability**AGENCY:** Environmental Protection Agency (EPA).**ACTION:** Notice.

SUMMARY: This notice announces the public availability, including via the Internet, of a table listing chemical substances and mixtures that are and/or have been the subject of final test rules and/or enforceable consent agreements/orders (ECAs) issued by EPA under section 4 of the Toxic Substances Control Act (TSCA) since the inception of the TSCA Existing Chemicals Testing Program. The table, which will be updated on a continuing basis, is expected to serve as a tool to assist persons in complying with TSCA. The information that is contained in the table for each of the listed chemical substances or mixtures includes the date(s) that TSCA section 4 testing, reimbursement, and reporting requirements and/or TSCA section 4-triggered TSCA section 12(b) export notification requirements have terminated ("sunset") or have been calculated to sunset, or some other TSCA section 4 or TSCA section 4-triggered TSCA section 12(b) status is indicated.

DATES: Comments, identified by docket control number OPPTS-42214, must be received on or before June 18, 2002.

ADDRESSES: Comments may be submitted by mail, electronically, or in person. Please follow the detailed instructions for each method as provided in Unit I. of the **SUPPLEMENTARY INFORMATION.** To ensure proper receipt by EPA, it is imperative that you identify docket control number

OPPTS-42214 in the subject line on the first page of your response.

avoiding the use of special characters and any form of encryption. Comments and data will also be accepted on standard disks in WordPerfect 6.1/8.0 or ASCII file format. All comments in electronic form must be identified by docket control number OPPTS-42214. Electronic comments may also be filed online at many Federal Depository Libraries.

D. How Should I Handle CBI Information that I Want to Submit to the Agency?

Do not submit any information electronically that you consider to be CBI. You may claim information that you submit to EPA in response to this document as CBI by marking any part or all of that information as CBI. Information so marked will not be disclosed except in accordance with procedures set forth in 40 CFR part 2. In addition to one complete version of the comment that includes any information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public version of the official record. Information not marked confidential will be included in the public version of the official record without prior notice. If you have any questions about CBI or the procedures for claiming CBI, please consult the technical person listed under **FOR FURTHER INFORMATION CONTACT**.

E. What Should I Consider as I Prepare My Comments for EPA?

We invite you to provide your views on the this action, including new approaches we have not considered, possible unintended consequences, and any data or information that you would like the Agency to consider. You may find the following suggestions helpful for preparing your comments:

1. Explain your views as clearly as possible.
2. Describe any assumptions that you used.
3. Provide copies of any technical information and/or data you used that support your views.
4. Provide specific examples to illustrate your concerns.
5. Offer alternative ways to improve this notice.
6. Make sure to submit your comments by the deadline in this notice.
7. To ensure proper receipt by EPA, be sure to identify the docket control number assigned to this action in the subject line on the first page of your response. You may also provide the

name, date, and **Federal Register** citation.

II. What Action is the Agency Taking?

EPA is announcing the availability of a table entitled *Sunset Date/Status of TSCA Section 4 Testing, Reimbursement and Reporting Requirements and TSCA Section 4-Triggered 12(b) Export Notification Requirements*. EPA is making this table available to the public via the Internet, TSCA hotline, and TSCA Nonconfidential Information Center (NCIC or TSCA Docket) so that the information contained in it will be available soon after updating by EPA. For the purposes of complying with TSCA section 4 and TSCA section 4-triggered TSCA section 12(b) requirements, the applicability of a particular TSCA section 4 action to a given person is dependent solely on the final requirements specified for the chemical substance(s) and mixture(s) identified in final TSCA section 4 and/or section 12(b) actions published in the **Federal Register**. The table can be considered current as of the date specified at the top of the table. For the status of final TSCA section 4 and TSCA section 4-triggered section 12(b) actions taken after this date, consult the **Federal Register**. EPA plans to update and re-post/reissue this table on an ongoing basis in order to make the most current information available to the public in a timely manner.
