AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: Companies that hold the pesticide registrations of end-use pesticide products containing chlorpyrifos [O,O-diethyl O-(3,5,6-

trichloro-2-pyridinyl)phosphorothioate] have asked EPA to cancel or amend their registrations. Pursuant to section 6(f)(1) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), EPA is announcing the Agency's receipt of these requests from the registrants. These requests for voluntary cancellation and amendment are the result of a memorandum of agreement signed by EPA and the basic manufacturers of the active ingredient chlorpyrifos on June 7, 2000. Registrants identified in this notice requesting voluntary cancellation and amendments are in large part the customer of these basic manufacturers. Given the potential risks, both dietary and non-dietary, that chlorpyrifos use poses, especially to children, EPA intends to grant the requested cancellations and amendments to delete uses. EPA also plans to issue a cancellation order for the deleted uses and the canceled registrations at the close of the comment period for this announcement. Upon the issuance of the cancellation order, any distribution, sale, or use of chlorpyrifos products will only be permitted if such distribution, sale, or use is consistent with the terms of that order.

DATES: Comments, identified by docket control number OPP-34203F, must be received on or before July 27, 2001. Comments on the requested amendments to delete uses and the requested registration cancellations must be submitted to the address provided below and identified by docket control number OPP-34203F.

ADDRESSES: Comments may be submitted by mail, electronically, or in person. Please follow the detailed instructions for each method as provided in Unit I. of the

SUPPLEMENTARY INFORMATION. To ensure proper receipt by EPA, it is imperative that you identify docket control number OPP-34203F in the subject line on the first page of your response.
