The patent, when issued, may contain certain reservations to the United States. Detailed information concerning these reservations, as well as specific conditions of sale, are available for review at the Eagle Lake Field Office, 2950 Riverside Drive, Susanville, CA 96130.

For a period of 45 days from the date of publication of this notice in the **Federal Register**, interested persons may submit comments regarding the proposed conveyance of the lands to the Field Manager at the above address. Any adverse comments will be reviewed by the State Director. In the absence of any adverse comments, the lands will be offered for sale to David Goss, Pitchfork Cattle Company.
