

extent effected by the transactions described above that may occur following the direct transfers, are approved, subject to the following conditions:

(1) NMP, LLC shall, prior to the completion of the direct transfers, provide to the Director of the Office of Nuclear Reactor Regulation satisfactory documentary evidence that NMP, LLC has obtained the appropriate amount of insurance required of licensees under 10 CFR Part 140 of the Commission's regulations.

(2) On the closing date of the transfer of NMP1 and NMP2 to it, NMP LLC shall: (1) obtain from the transferors all of their accumulated decommissioning trust funds for NMP1 and NMP2, respectively, and (2) receive [a] parent company guarantee[s] pursuant to 10 CFR 50.75(e)(1)(iii)(B) (to be updated annually as required under 10 CFR 50.75(f)(1), unless otherwise approved by the NRC) in a form acceptable to the NRC and in [an] amount[s] which, when combined with the decommissioning trust funds for NMP1 and NMP2, equals or exceeds the total amounts required for NMP1 and NMP2, respectively, pursuant to 10 CFR 50.75(b) and (c).

(3) The master decommissioning trust agreement for NMP1 and NMP2, at the time the direct transfers are effected and thereafter, is subject to the following:

a. The decommissioning trust agreement must be in a form acceptable to the NRC.

b. With respect to the decommissioning trust funds, investments in the securities or other obligations of CEG Inc., New Controlled, or their affiliates, successors, or assigns, are and shall be prohibited. Except for investments tied to market indexes or other non-nuclear sector mutual funds, investments in any entity owning one or more nuclear power plants are and shall be prohibited.

c. The decommissioning trust agreement must provide that no disbursements or payments from the trusts, other than for ordinary administrative expenses, shall be made by the trustee unless the trustee has first given the NRC 30 days prior written notice of the payment. The decommissioning trust agreement shall further contain a provision that no disbursements or payments from the trusts shall be made if the trustee receives prior written notice of objection from the Director of the Office of Nuclear Reactor Regulation.

d. The decommissioning trust agreement must provide that the agreement cannot be amended in any material respect without 30 days prior written notification to the Director of the Office of Nuclear Reactor Regulation.

e. The appropriate section of the decommissioning trust agreement shall state that the trustee, investment advisor, or anyone else directing the investments made in the trusts shall adhere to a "prudent investor" standard, as specified in 18 CFR 35.32(a)(3) of the Federal Energy Regulatory Commission's regulations.

(4) NMP LLC shall take all necessary steps to ensure that the decommissioning trusts are maintained in accordance with the Application, the requirements of this Order, and the related safety evaluation.

(5) At the time of the direct transfers, NMP LLC shall enter or shall have entered into an intercompany credit agreement with CEG, Inc. or New Controlled, whichever entity is the ultimate parent of NMP LLC at that time, in the form and on the terms represented in the Application. Should New Controlled become the ultimate parent of NMP LLC following the direct transfer of the licenses to NMP LLC, NMP LLC shall enter or shall have entered into a substantially identical intercompany credit agreement with New Controlled at the time New Controlled becomes the ultimate parent; in such case, any existing intercompany credit agreement with CEG, Inc. may be canceled once the intercompany credit agreement with New Controlled is established. Except as otherwise provided above, NMP LLC shall take no action to void, cancel, or modify any intercompany credit agreement referenced above, without the prior written consent of the Director of the Office of Nuclear Reactor Regulation.

(6) NMPC shall inform the Director of the Office of Nuclear Reactor Regulation of the date of the closing of the direct transfers no later than two business days prior to such date. If all of the direct and indirect transfers of the licenses approved by this Order are not completed by June 30, 2002, this Order shall become null and void, provided, however, upon written application and for good cause shown, such date may in writing be extended.

It Is Further Ordered that, consistent with 10 CFR 2.1315(b), license amendments that make changes, as indicated in Enclosure 2 to the cover

letter forwarding this Order, to conform the licenses to reflect the subject direct license transfers are approved. The amendments shall be issued and made effective at the time the proposed direct license transfers are completed.

This Order is effective upon issuance.

For further details with respect to this Order, see the initial application dated February 1, 2001, the supplemental submittals dated March 1, March 16, March 29, April 5, April 27, May 30 and June 7, 2001, and the safety evaluation dated June 22, 2001, which are available for public inspection at the Commission's Public Document Room, located at One White Flint North, 11555 Rockville Pike (first floor), Rockville, Maryland, and accessible electronically through the ADAMS Public Electronic Reading Room link at the NRC Web site (<http://www.nrc.gov>).

Dated at Rockville, Maryland this 22nd day of June 2001.

For The Nuclear Regulatory Commission.
