provisions of the Commodity Futures Modernization Act of 2000 ("CFMA") concerning the definition of "narrow-based security index." The CFMA directed the Commissions jointly to specify by rule or regulation the method to be used to determine "dollar value of average daily trading volume" and "market capitalization" for purposes of the new definition of "narrow-based security index" in the CEA and the Exchange Act.

The proposing release established a deadline of June 18, 2001 for submitting public comments. The Commissions have received requests to extend the deadline. Therefore, the Commissions are extending the comment period to July 11, 2001 so that commenters will have adequate time to address the issues raised by the proposing release.

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.
