Power Provider LLC; Notice of Issuance of Order

June 28, 2001.

Power Provider LLC (Power Provider), an affiliate of Baltimore Gas & Electric Company and a newly created electric power marketer, filed with the Commission in the above-docketed proceeding, a proposed tariff under which Power Provider will engage in the sale of electric energy and capacity at market-based rates with affiliated and non-affiliated entities. Power Provider's filing also requested certain waivers and authorizations. In particular, Power Provider requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liabilities by Power Provider. On June 27, 2001, the Commission issued an order that accepted the tariff for sales of capacity and energy at market-based rates (Order), in the above-docketed proceeding.

The Commission's June 27, 2001 Order granted Power Provider's request for blanket approval under Part 34, subject to the conditions found in Appendix A in Ordering Paragraphs (2), (3), and (5):

(2) Within 30 days of the date of this order, any person desiring to be heard or to protest the Commission's blanket approval of issuances of securities or assumptions of liabilities by Power Provider should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure, 18 CFR 385.211 and 385.214.

(3) Absent a request to be heard within the period set forth in Ordering Paragraph (2) above, Power Provider is hereby authorized to issue securities and assume obligations and liabilities as

guarantor, indorser, surety or otherwise in respect of any security of another person; provided that such issue or assumption is for some lawful object within the corporate purposes of Power Provider, compatible with the public interest, and reasonably necessary or appropriate for such purposes.

(5) The Commission reserves the right to modify this order to require a further showing that neither public nor private interests will be adversely affected by continued Commission approval of Power Provider's issuances of securities or assumptions of liabilities.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is July 27, 2001.

Copies of the full text of the Order are available from the Commission's Public Reference Branch, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

San Diego & Electric Co., Errata Notice; Notice of Filing

June 18, 2001.

Take notice that in the above referenced notice (66 FR 33958, pub. June 26, 2001) the caption was inadvertently named Idaho Power Company. The correct name is San Diego Gas & Electric Company.

The following paragraphs replaces the first paragraph issued on the Notice of Filing June 18, 2001:

Take notice that on June 13, 2001, San Diego Gas & Electric Company (SDG&E) tendered for filing as service agreements to its Federal Energy Regulatory Commission Electric Tariff, First Revised Volume No. 6, two interconnection agreements. Both

agreements related to the interconnection of a new generation plant to be owned by Wildflower Energy, LP (Wildflower). The plant, with a capacity of approximately 92 megawatts, is being constructed on an expedited basis to meet potential shortfalls this summer in the Western states' electricity supplies. It will be located in the City of San Diego, County of San Diego, California and is expected to be in service on or about July 1, 2001.

Service Agreement No. 7 is an Expedited Interconnection Facilities Agreement dated June 13, 2001, between SDG&E and Wildflower, dated June 13, 2001, under which SDG&E will construct, operate, and maintain the proposed interconnection facilities. Service Agreement No. 8, the Interconnection Agreement between SDG&E and Wildflower dated June 13, 2001, establishes interconnection and operating responsibilities and associated communications procedures between the parties. SDG&E states that copies of the filing have been served on Wildflower and on the California Public Utilities Commission.

Any person desiring to be heard or to protest such filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions and protests should be filed on or before July 9, 2001. Protests will be considered by the Commission to determine the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. This filing may also be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance). Comments, protests and interventions may be filed electronically via the internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site at <http://www.ferc.fed.us/efi/doorbeell.htm>
