Certain Stainless Steel Flanges From India; Extension of Time Limit for Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: July 5, 2001.

FOR FURTHER INFORMATION CONTACT:

Thomas Killiam or Robert James, AD/CVD Enforcement, Office 8, Group III, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington DC 20230; telephone: (202) 482-5222, or (202) 482-0649, respectively.

Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Tariff Act) requires the Department of Commerce (the Department) to make a final determination within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Tariff Act allows the Department to extend the time limit for the final results to 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of publication of the preliminary results.

Background

On March 9, 2001, the Department published in the **Federal Register** the preliminary results of administrative

review of the antidumping duty order on certain stainless steel flanges from India, covering the period February 1, 1999 through January 31, 2000 (Certain Forged Stainless Steel Flanges From India; Preliminary Results of Antidumping Duty Administrative Review, 66 FR 14127). The final results are currently due no later than July 7, 2001. The respondents are Echjay Forgings Ltd. (with affiliate Pushpaman), Isibars, Ltd., Panchmahal Steel Ltd., Patheja Forgings & Auto Parts, Ltd., and Viraj Forgings, Ltd. The Department has determined that it is not practicable to complete the final results of review within the original time limit mandated by section 751(a)(3)(A) of the Tariff Act and section 351.213(h)(1) of the Department's regulations. See Memorandum from Richard A. Weible to Joseph A. Spetrini, Deputy Assistant Secretary, Enforcement Group III, dated June 25, 2001. Accordingly, the Department is extending the time limit for completion of the final results until September 5, 2001, in accordance with section 351.213(h)(2).

Dated: June 25, 2001.

Joseph A. Spetrini,

Deputy Assistant Secretary, AD/CVD Enforcement Group III.

Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, From the People's Republic of China; Notice of Extension of Time Limit for New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limit.

EFFECTIVE DATE: July 5, 2001.

FOR FURTHER INFORMATION CONTACT:

Jarrod Goldfeder or S. Anthony Grasso, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-0189 or (202) 482-3853, respectively.

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue the preliminary results of a new shipper

review within 180 days after the date on which the new shipper review was initiated and a final determination within 90 days after the date on which the preliminary results were issued. However, if the Department concludes that the case is extraordinarily complicated, section 751(a)(2)(B)(iv) of the Act allows the Department to extend these deadlines to a maximum of 300 days and 150 days, respectively.

Background

On January 24, 2001, the Department published a notice of initiation of new shipper antidumping duty reviews of TRBs from the PRC, covering the period June 1, 2000 through November 30, 2000 (66 FR 8385) for Yantai Timken Company Limited and Peer Bearing Company—Changshan ("CPZ"). On May 9, 2001, the Department expanded CPZ's period of review to January 31, 2001. The preliminary results for the new shipper reviews of TRBs from the PRC are currently due no later than July 23, 2001.

Extension of Time Limits for Preliminary Results

Due to the complexity of the issues, the Department concludes that these reviews are extraordinarily complicated. See Memorandum from Team to Richard W. Moreland, "Extension of Time Limit for Preliminary Results," dated, June 27, 2001. Therefore, the Department is extending the time limit for completion of these preliminary results to not later than November 20, 2001, in accordance with section 751(a)(2)(B)(iv) of the Act.

This extension is in accordance with section 751(a)(2)(B) of the Act.

June 28, 2001.

Richard W. Moreland,

Deputy Assistant Secretary for AD/CVD Enforcement.
