

DEPARTMENT OF THE TREASURY**Departmental Offices; Debt Management Advisory Committee; Meeting**

Notice is hereby given, pursuant to 5 U.S.C. App. 10(a)(2), that a meeting will be held at the U.S. Treasury Department, 15th and Pennsylvania Avenue, NW., Washington, DC, on July 31, 2001, of the following debt management advisory committee: Treasury Borrowing Advisory Committee of The Bond Market Association.

The agenda for the meeting provides for a technical background briefing by Treasury staff, followed by a charge by the Secretary of the Treasury or his designate that the Committee discuss particular issues, and a working session. Following the working session, the Committee will present a written report of its recommendations.

The background briefing by Treasury staff will be held at 9 a.m. Eastern time and will be opened to the public. The remaining sessions and the committee's reporting session will be closed to the public, pursuant to 5 U.S.C. App. 10(d).

This notice shall constitute my determination, pursuant to the authority placed in heads of departments by 5 U.S.C. App. 10(d) and vested in me by Treasury Department Order No. 101-05, that the closed portions of the meeting are concerned with information that is exempt from disclosure under 5 U.S.C. 552b(c)(9)(A). The public interest requires that such meetings be closed to the public because the Treasury Department requires frank and full advice from representatives of the financial community prior to making its final decision on major financing operations. Historically, this advice has been offered by debt management advisory committees established by the several major segments of the financial community. When so utilized, such a committee is recognized to be an advisory committee under 5 U.S.C. App. 3.

Although the Treasury's final announcement of financing plans may not reflect the recommendations provided in reports of the advisory committee, premature disclosure of the committee's deliberations and reports would be likely to lead to significant financial speculation in the securities market. Thus, these meetings fall within the exemption covered by 5 U.S.C. 552b(c)(9)(A).

The Office of Financial Markets is responsible for maintaining records of debt management advisory committee meetings and for providing annual

reports setting forth a summary of committee activities and such other matters as may be informative to the public consistent with the policy of 5 U.S.C. 552b.

Dated: July 5, 2001.

Donald V. Hammond,

Acting Under Secretary.

Title: Gravesite Reservation Survey (2-year), VA Form Letter 40-40.

OMB Control Number: 2900-0546.

Type of Review: Reinstatement, without change, of a previously approved collection for which approval has expired.

Abstract: In the past, the survey was conducted annually. VA Form Letter 40-40 will be sent biennially (once every two years on a 24-month rotating basis) to individuals holding gravesite set-asides in national cemeteries to ascertain their wish to retain their set-aside, or wish to relinquish it. The collection of information is necessary to assure that gravesite set-asides are not

wasted. Some holders become ineligible, are buried elsewhere, or simply wish to cancel a gravesite set-aside for them. Without this information, unused set-asides would exist which could be used by other veterans.

Abstract: VAAR clause 852.211-70, Service Data Manual, is used when VA purchases technical medical equipment and devices or mechanical equipment. Title: Veterans Affairs Acquisition Regulation (VAAR) Provision 852.270-3, Shellfish.

OMB Control Number: 2900-0589.

Type of Review: Reinstatement, without change, of a previously approved collection for which approval has expired.

Abstract: VAAR Provision 852.270-3, Shellfish, requires that a firm furnishing shellfish to VA must ensure that the shellfish is packaged in a container that is marked with the packer's State certificate number and State abbreviation. In addition, the firm must ensure that the container is tagged or labeled to show the name and address of the approved producer or shipper, the name of the State of origin and the certificate number of the approved producer or shipper. This information normally accompanies the shellfish from the packer and is not information that must be separately obtained by the seller. The information is needed to ensure that shellfish purchased by VA comes from a State- and Federal-approved and inspected source. The information is used to help ensure that VA purchases healthful shellfish.
