

certain changes to the margin calculations. For a discussion of these changes, see the "Margin Calculations" section of the Decision Memo, the

public version of which is on file in room B-099 of the Department and available on the Internet at <http://ia.ita.doc.gov>.

Final Results of Review

We determine that the following weighted-average margin percentages exist:

Manufacturer/exporter	Margin (percent)	Period of review
PT Dieng Djaya and PT Surya Jaya Abadi Perkasa	0.44 (<i>de minimis</i>)	12/31/1998–01/31/2001
PT Indo Evergreen Agro Business Corp	5.16	08/05/1998–01/31/2001
PT Zeta Agro Corporation	0.02 (<i>de minimis</i>)	08/05/1998–01/31/2001

The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b), we have calculated importer-specific assessment rates. We will direct the Customs Service to assess the resulting rates against the entered customs values for the subject merchandise on each importer's entries under the relevant order during the review period. In accordance with 19 CFR 351.106(c)(2), we will instruct the Customs Service to liquidate without regard to antidumping duties all entries of the subject merchandise for which the importer-specific assessment rate is zero or *de minimis* (*i.e.*, less than 0.50 percent).

The following deposit requirements will be effective upon publication of this notice of final results of administrative review for all shipments of certain preserved mushrooms from Indonesia entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(1) of the Act: (1) The cash deposit rates for Dieng/Surya Jaya, Indo Evergreen and Zeta will be the rates shown above; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 11.26 percent. This rate is the "All Others" rate from the LTFV investigation.

These deposit requirements shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties

prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: July 6, 2001.

Faryar Shirzad,

Assistant Secretary for International Trade.

Appendix—List of Issues

Dieng Djaya and Surya Jaya

1. Use of Adverse Facts Available for Dieng
2. Calculation of a Single Weighted-Average Cost
3. Dieng's and Surya Jaya's Reported Can Cost
4. General Expenses and Application of Weighted-Average Financial Ratios
5. Classification of U.S. Sales Through an Affiliated Trading Company

Zeta

6. Packing Expenses
7. Reported Quantity of Waste
8. Sale of Compost and Casing Soil
9. Allocation of Costs Based on Fancy and Non-Fancy Mushrooms
10. Warranty Expenses
11. Home Market Credit Expense

Indo Evergreen

12. Home Market Credit Expenses
13. Warranty Expenses on U.S. sales
14. Allocation of Shrinkage Costs
15. Sales of Compost and Casing Soil as an Offset to Cost of Production
16. Packing Cost

17. Selling, General and Administrative Expenses

BILLING CODE 3510-DS-P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

[I.D. 070201B]

Endangered and Threatened Species; Take of Anadromous Fish

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of availability and request for comment.

SUMMARY: Notice is hereby given that the Washington Department of Fish and Wildlife (WDFW) has submitted a Fisheries Management and Evaluation Plan (FMEP) pursuant to the protective regulations promulgated for Snake River (SR) steelhead under the Endangered Species Act (ESA). The FMEP specifies the future management of inland recreational fisheries potentially affecting the SR steelhead in the State of Washington. This document serves to notify the public of the availability of the FMEP for review and comment before a final approval or disapproval is made by NMFS.

DATES: Written comments on the draft FMEP must be received at the appropriate address or fax number (see **ADDRESSES**) no later than 5 p.m. Pacific standard time on August 13, 2001.

ADDRESSES: Written comments and requests for copies of the draft FMEP should be addressed to Debbie Martin, Sustainable Fisheries Division, Hatchery and Inland Fisheries Branch, 10215 West Emerald Street, Suite 180, Boise, ID 83704 or faxed to 208/378-5699. The documents are also available on the Internet at <http://www.nwr.noaa.gov/>. Comments will not be accepted if submitted via e-mail or the Internet.

FOR FURTHER INFORMATION CONTACT:

Debbie Martin, Boise, ID at phone number 208/321-2959 or e-mail: debbie.martin@noaa.gov.

SUPPLEMENTARY INFORMATION: This notice is relevant to the Snake River steelhead (*Oncorhynchus mykiss*) Evolutionarily Significant Unit (ESU).

Background

WDFW has submitted to NMFS an FMEP for inland recreational fisheries potentially affecting listed adults and juveniles of the SR steelhead ESU. These include all freshwater fisheries managed under the sole jurisdiction of the State of Washington occurring within the boundaries of the SR steelhead ESU including the anadromous portions of the Snake River mainstem and tributaries, from the mouth upstream to the Washington-Oregon border. The objective of the fisheries is to harvest known, hatchery-origin steelhead, hatchery spring and fall chinook and other fish species in a manner that does not jeopardize the survival and recovery of the listed SR ESU. All steelhead fisheries included in this FMEP will be managed such that only hatchery-produced adult steelhead that are adipose fin clipped may be retained. Impact levels to the listed SR steelhead ESU are specified in the FMEP. Population risk assessments in the FMEP indicate the extinction risk for the listed ESU under the proposed fishery impact levels to be low. A variety of monitoring and evaluation tasks are specified in the FMEP to assess the abundance of steelhead, determine fishery effort and catch of steelhead, and angler compliance. WDFW will annually conduct a wild population status and a review of the fisheries within the provisions of the FMEP. WDFW will conduct, at a minimum of every 5 years, a comprehensive review to evaluate the effectiveness of the FMEP.

As specified in the July 10, 2000, ESA 4 (d) rule for salmon and steelhead (65 FR 42422), NMFS may approve an FMEP if it meets criteria set forth in § 223.203 (b)(4)(i)(A) through (I). Prior to final approval of an FMEP, NMFS must publish notification announcing its availability for public review and comment.

Authority

Under section 4 of the ESA, the Secretary of Commerce is required to adopt such regulations as he deems necessary and advisable for the conservation of species listed as threatened. The ESA salmon and steelhead 4 (d) rule (65 FR 42422, July

10, 2000) specifies categories of activities that contribute to the conservation of listed salmonids and sets out the criteria for such activities. The rule further provides that the prohibitions of paragraph (a) of the rule do not apply to activities associated with fishery harvest provided that an FMEP has been approved by NMFS to be in accordance with the salmon and steelhead 4 (d) rule.

Dated: July 6, 2001.

Phil Williams,

Acting Chief, Endangered Species Division, Office of Protected Resources, National Marine Fisheries Service.

BILLING CODE 3510-22-S

COMMISSION OF FINE ARTS**Notice of Meeting**

The next meeting of the Commission of Fine Arts is scheduled for July 19, 2001 at 10:00 a.m., in the Commission's offices at the National Building Museum, Suite 312, Judiciary Square, 441 F Street, NW., Washington, DC 20001-2728. Items of discussion affecting the appearance of Washington, DC, may include buildings, parks and memorials.

Draft agendas are available to the public one week prior to the meeting. Inquiries regarding the agenda and requests to submit written or oral statements should be addressed to Charles H. Atherton, Secretary, Commission of Fine Arts, at the above address or call 202-504-2200. Individuals requiring sign language interpretation for the hearing impaired should contact the Secretary at least 10 days before the meeting date.

Dated in Washington, DC, July 2, 2001.

Charles H. Atherton,

Secretary.

BILLING CODE 6330-01-M

CONSUMER PRODUCT SAFETY COMMISSION**Petition HP 01-3 Requesting a Ban on Use of Chromated-Copper-Arsenate (CCA) Treated Wood in Playground Equipment**

AGENCY: Consumer Product Safety Commission.

ACTION: Notice.

SUMMARY: The Commission has received a submission that contains a request that the Commission ban use of chromated-

copper-arsenate (CCA) treated wood in playground equipment. This request has been docketed as petition under number HP 01-3 under the Federal Hazardous Substances Act (FHSA). The Commission solicits written comments concerning the petition.

DATES: The Office of the Secretary must receive comments on the petition by September 11, 2001.

ADDRESSES: Comments on the petition, preferably in five copies, should be mailed to the Office of the Secretary, Consumer Product Safety Commission, Washington, DC 20207, telephone (301) 504-0800, or delivered to the Office of the Secretary, Room 501, 4330 East-West Highway, Bethesda, Maryland 20814. Comments may also be filed by facsimile to (301) 504-0127 or by e-mail to cpssc-os@cpssc.gov. Comments should be captioned "Petition HP 01-3, Petition for Ban on Use of CCA Treated Wood in Playground Equipment." A copy of the petition is available for inspection at the Commission's Public Reading Room, Room 419, 4330 East-West Highway, Bethesda, Maryland.

FOR FURTHER INFORMATION CONTACT: Rockelle Hammond, Office of the Secretary, Consumer Product Safety Commission, Washington, D.C. 20207; telephone (301) 504-0800, ext. 1232.

SUPPLEMENTARY INFORMATION: The Commission has received correspondence from the Environmental Working Group (EWG) and the Healthy Building Network (HBN) requesting that it issue a ban on use of chromated-copper-arsenate (CCA) treated wood in playground equipment. The petitioners assert that a ban is necessary because "[r]ecent research has shown that arsenic is more carcinogenic than previously recognized, that arsenic is present at significant concentrations on CCA-treated wood and in underlying soil, that the health risks posed by this wood are greater than previously recognized, and that past risk assessments were incomplete."

The Commission is docketing the request for a ban as a petition under provisions of the Federal Hazardous Substances Act (FHSA), 15 U.S.C. 1261-1278.

The submission also requests that the Commission review the safety of CCA-treated wood for general use. This request has not been docketed as part of the petition because this action does not require rulemaking. (The request for a review will be considered separately by the CPSC's Office of Hazard Identification and Reduction.)

Interested parties may obtain a copy of the petition by writing or calling the Office of the Secretary, Consumer
