Notice Pursuant to the National Cooperative Research and Production Act of 1993—Southwest Research Institute (“SwRI”): Fuel Water Separation Characteristics Program

Notice is hereby given that, on June 11, 2001, pursuant to Section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* (“the Act”), Southwest Research Institute (“SwRI”) : Fuel/Water Separation characteristics Program has filed written notifications

simultaneously with the Attorney General and the Federal Trade Commission disclosing changes in its project status. The notifications were filed for the purpose of extending the Act’s provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Specifically, the period of performance has been extended to December 31, 2001.

No other changes have been made in either the membership or planned activity of the group research project. Membership in this group research project remains open, and Southwest Research Institute intends to file additional written notification disclosing all changes in membership.

On March 10, 2000, Southwest Research Institute filed its original notification pursuant to Section 6(a) of the Act. The Department of Justice published a notice in the **Federal Register** pursuant to Section 6(b) of the Act on November 2, 2000, (65 FR 65882).
