Defense Logistics Agency

Privacy Act of 1974; Computer Matching Program

AGENCY: Defense Manpower Data Center, Defense Logistics Agency, DoD.
ACTION: Notice of a computer matching program.

SUMMARY: Subsection (e)(12) of the Privacy Act of 1974, as amended (5 U.S.C. 552a), requires agencies to publish advanced notice of any proposed or revised computer matching program by the matching agency for public comment. The Department of Defense (DoD) as the matching agency under the Privacy Act, is hereby giving notice to the record subjects of a computer matching program between Social Security Administration (SSA) and the DoD that their records are being matched by computer.

The Social Security Act requires SSA to verify, with independent or collateral sources, information provided to SSA by recipients of SSI payments and beneficiaries of SVB benefits. The SSI and SVB recipient/beneficiary provides information about eligibility/entitlement factors and other relevant information. SSA obtains additional information as necessary before making any determinations of eligibility/payment or entitlement/benefit amounts or adjustments thereto. With respect to military retirement payments to SSI recipients and SVB beneficiaries who are retired members of the Uniformed Services or their survivors, SSA proposes to accomplish this task by computer matching with the DoD.

DATES: This proposed action will become effective September 5, 2001, and matching may commence unless changes to the matching program are required due to public comments or by Congressional or by Office of Management and Budget objections. Any public comment must be received before the effective date.

ADDRESSES: Any interested party may submit written comments to the Director, Defense Privacy Office, 1941

Jefferson Davis Highway, Suite 920, Arlington, VA 22202-4502.

FOR FURTHER INFORMATION CONTACT: Mr. Vahan Moushegian, Jr. at (703) 607-2943.

SUPPLEMENTARY INFORMATION: Pursuant to subsection (o) of the Privacy Act of 1974, as amended, (5 U.S.C. 552a), the Defense Manpower Data Center (DMDC) and SSA have concluded an agreement to conduct a computer matching program.

The parties to this agreement have determined that a computer matching program is the efficient, expeditious, and effective means of obtaining and processing the information needed by the SSA under the Social Security Act to verify the eligibility/entitlement of, and to verify payment and benefit amounts for, certain SSI and SVB recipients/beneficiaries. Computer matching also will produce the required data to calculate and make any necessary adjustments of SSI payments and SVB benefits. The principal alternative to using a computer matching program would be to conduct a manual comparison of DoD payment records with a list of SSI and SVB recipients/beneficiaries. Conducting such a manual match would clearly impose a considerable administrative burden, constitute a greater intrusion on the individual's privacy, and would result in additional delay in the eventual SSI payment and SVB benefit or recovery of unauthorized or erroneous payments/benefits. Using the computer matching program, the information exchange between the parties can be accomplished within 30 days.

A copy of the computer matching agreement between SSA and DoD is available upon request. Requests should be submitted to the address caption above or to the Information Exchange and Matching Staff, Office of Disclosure Policy, Office of Program Support, Office of Disability and Income Security Programs, Social Security Administration, 6401 Security Boulevard, Baltimore, MD 21235.

Set forth below is the notice of the establishment of a computer matching program required by paragraph 6.c. of the Office of Management and Budget Guidelines on computer matching published on June 19, 1989, at 54 FR 2518.

The matching agreement, as required by 5 U.S.C. 552a(r) of the Privacy Act, and an advance copy of this notice was submitted on July 26, 2001, to the House Committee on Government Reform, the Senate Committee on Governmental Affairs, and the Administrator of the Office of Information and Regulatory

Affairs, Office of Management and Budget pursuant to paragraph 4d of Appendix I to OMB Circular No. A-130, 'Federal Agency Responsibilities for Maintaining Records about Individuals,' dated February 8, 1996 (February 20, 1996, 61 FR 6427).

Dated: July 30, 2001.

L.M. Bynum,

Alternate OSD Federal Register Liaison Office, Department of Defense.
