The Federal-State Joint Board on Universal Service

AGENCY: Federal Communications Commission.

ACTION: Notice; comments requested.

SUMMARY: This document seeks comment on Guam Cellular and Paging, Inc. d/b/a Guamcell Communications (Guamcell) petition seeking designation of eligibility to receive universal service support for service offered in Guam.

DATES: Comments are due on or before September 6, 2001. Reply comments are due on or before September 21, 2001.

SUPPLEMENTARY INFORMATION: On July 26, 2001, Guamcell filed with the Commission a petition under section 214(e)(6) seeking designation as an eligible telecommunications carrier (ETC) to receive federal universal service support for service offered in Guam. Specifically, Guamcell contends that: (1) The Public Utilities Commission of Guam (Guam Commission) has provided an affirmative statement that it does not regulate commercial mobile radio service (CMRS) carriers, (2) Guamcell meets all the statutory and regulatory prerequisites for ETC designation, and (3) designating Guamcell as an ETC will serve the public interest.

The petitioner must provide copies of its petitions to the Guam Commission at the time of filing with the Commission. The Commission will also send a copy of this Public Notice to the Guam Commission by overnight express mail to ensure that the Guam Commission is notified of the notice and comment period.

Comments filed through the ECFS can be sent as an electronic file via the Internet to <http://www/fcc/gov/e-file/eefs.html>.

Generally, only one copy of the electronic submission must be filed. In completing the transmittal screen, commenters should include their full name, Postal Service mailing address, and the applicable docket or rulemaking number. Parties may also submit
