

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-44640; File No. SR-SCCP-2001-02]

Self-Regulatory Organizations; the Stock Clearing Corporation of Philadelphia; Order Granting Approval of a Proposed Rule Change Relating to the Deletion of Rule 20

August 1, 2001.

On February 5, 2001, the Stock Clearing Corporation of Philadelphia ("SCCP") filed with the Securities and Exchange Commission ("Commission") a proposed rule change (File No. SR-SCCP-2001-02) pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act").¹ Notice of the proposal was published in the **Federal Register** on April 4, 2001.² No comment letters were received. For the reasons discussed below, the Commission is granting approval of the proposed rule change.

I. Description

The purpose of the filing is to delete SCCP Rule 20. Rule 20 requires SCCP to provide a daily bookkeeping form to margin members that utilize SCCP's omnibus account. SCCP participants must verify the statement upon receipt and promptly report any exceptions or corrections. Additionally, Rule 20 provides that as of the last Friday of each month SCCP requests each participant to respond in writing as to whether their monthly account statement issued by SCCP is accurate for each type of account. If a statement is incorrect, any differences should be reported on research requests and enclosed with the written reply. The reply must be signed by the participant and returned to SCCP by the twentieth day of the month following the date of the statement. Pursuant to the rule, penalties may be imposed on a participant who fails to respond to confirmation requests in a timely manner. The rule provides for a hearing process for such participants.

SCCP believes that Rule 20 is unnecessary because the information provided to participants on a monthly basis is essentially duplicative of information provided daily pursuant to SCCP Rule 6. Moreover, SCCP believes that the participant certification requirement in Rule 20 is unnecessary, burdensome, and inconsistent with general practices in the financial services industry. SCCP Rule 6 provides

that all transactions executed on the Philadelphia Stock Exchange, Inc., and all other transactions submitted by a participant to SCCP are subject to SCCP trade recording and confirmation. All transactions are recorded and confirmed to SCCP participants daily. SCCP considers each transaction complete and accurate unless notified by the participant of any inaccuracy prior to settlement date. Participants are liable for any loss resulting from their failure to notify SCCP of any discrepancies. Accordingly, the requirements of SCCP Rule 20 are unnecessary in light of the requirements of SCCP Rule 6.

II. Discussion

Section 17A(b)(3)(F)³ of the Act requires that the rule of a clearing agency be designed to promote the prompt and accurate clearance and settlement of securities transactions. The rule change relieves SCCP and its participants from providing and reviewing duplicative reports that are unnecessary due to compliance with other SCCP rules. By eliminating the report requirements of SCCP Rule 20, SCCP's rule change fosters more efficient procedures and thereby facilitates a more prompt and accurate clearance and settlement system at SCCP. Therefore, the Commission finds that the rule change is consistent with SCCP's obligation under Section 17A to have rules that are designed to promote the prompt and accurate clearance and settlement of securities transactions and to remove impediments to and perfect the mechanism of a national system for clearance and settlement.

III. Conclusion

On the basis of the foregoing, the Commission finds that the proposed rule change is consistent with the requirements of the Act and in particular Section 17A of the Act and the rules and regulations thereunder.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act, that the proposed rule change (File No. SR-SCCP-2001-02) be and hereby is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁴

Deputy Secretary.

OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Determinations Under the African Growth and Opportunity Act

AGENCY: Office of the United States Trade Representative.

ACTION: Notice.

SUMMARY: The United States Trade Representative has determined that Ethiopia has adopted an effective visa system and related procedures to prevent unlawful transshipment and the use of counterfeit documents in connection with shipments of textile and apparel articles and has implemented and follows, or is making substantial progress toward implementing and following, the customs procedures required by the African Growth and Opportunity Act. Therefore, imports of eligible products from Ethiopia qualify for the textile and apparel benefits provided under the AGOA.

EFFECTIVE DATE: August 2, 2001.

FOR FURTHER INFORMATION CONTACT: James Roth, Deputy Director for African Affairs, Office of the United States Trade Representative, (202) 395-9514.

SUPPLEMENTARY INFORMATION: The African Growth and Opportunity Act (Title I of the Trade Development Act of 2000, Pub. L. No. 106-200) (AGOA) provides preferential tariff treatment for imports of certain textile and apparel products of beneficiary sub-Saharan

African countries. The textile and apparel trade benefits under the AGOA are available to imports of eligible products from countries that the President designates as "beneficiary sub-Saharan African countries," provided that these countries (1) have adopted an effective visa system and related procedures to prevent unlawful transshipment and the use of counterfeit documents, and (2) have implemented and follow, or are making substantial progress toward implementing and following, certain customs procedures that assist the Customs Service in verifying the origin of the products.

In Proclamation 7350 (Oct. 2, 2000), the President designated Ethiopia as a "beneficiary sub-Saharan African country." Proclamation 7350 delegated to the United States Trade Representative (USTR) the authority to determine whether designated countries have met the two requirements described above. The President directed the USTR to announce any such determinations in the **Federal Register** and to implement them through modifications of the Harmonized Tariff Schedule of the United States (HTS). Based on actions that Ethiopia has taken, I have determined that Ethiopia has satisfied these two requirements.

Accordingly, pursuant to the authority vested in the USTR by Proclamation 7350, U.S. note 7(a) to subchapter II of chapter 98 of the HTS and U.S. note 1 to subchapter XIX of chapter 98 of the HTS are each modified by inserting "Ethiopia" in alphabetical sequence in the list of countries. The foregoing modifications to the HTS are effective with respect to articles entered, or withdrawn from warehouse for consumption, on or after the effective date of this notice. Importers claiming preferential tariff treatment under the AGOA for entries of textile and apparel articles should ensure that those entries meet the applicable visa requirements. *See Visa Requirements Under the African Growth and Opportunity Act*, 66 FR 7837 (2001).
