SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-44643; File No. MSRB-2001-03]

Self-Regulatory Organizations; Municipal Securities Rulemaking Board (MSRB); Order Granting Approval to Proposed Rule Change Relating to the Establishment of an Optional Procedure for Electronic Submissions of Required Materials Under Rule G-36, on Delivery of Official Statement, Advance Refunding Documents and Forms 36(OS) and G-36(ARD) to the MSRB

August 1, 2001.

On June 7, 2001, the Municipal Securities Rulemaking Board ("MSRB") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to establish an optional procedure for electronic submissions of required materials under G-36, on delivery of official statements, advance refunding documents and Forms G-36 (OS) and G-36 (ARD) to the MSRB.

The proposed rule change was published for comment in the **Federal Register** on June 28, 2001.³ The Commission received no comments on the proposal. This order approves the proposal.

The proposed rule change consists of (i) an amendment to the MSRB facility currently known as the Official Statement and Advance Refunding Document—Paper Submission system (the "OS/ARD Facility") of the MUNICIPAL SECURITIES INFORMATION LIBRARY® system

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ See Release No. 34-44458 (June 20, 2001), 66 FR 34495.

("MSIL®")⁴ and (ii) an amendment to Rule G-36. In its current form, Rule G-36 requires that a broker, dealer or municipal securities dealer that acts as managing or sole underwriter for most primary offerings send the official statement and Form G-36(OS) to the MSIL® system within certain time frames set forth in the rule.⁵ In the case of an advance refunding, the managing or sole underwriter must send both the prepared advance refunding documentation and Form G-36(ARD) to the MSIL® system.⁶

In November 1998, the MSRB published an interpretive release describing requisite standards for dealers to satisfy document delivery obligations by means of electronic communications.⁷ Since publication of the notice, the MSRB has encouraged modernization of disclosure practices in the primary and secondary municipal securities market. This proposed rule change implements an optional system of electronic submission by underwriters of official statements, advance refunding documents and Form G-36 (ARD) to the MSIL® system. Additionally, the proposed change amends rule G-36 in order to effectuate this electronic system. The new system will allow underwriters to choose between documents submissions in either electronic or paper form.

The Commission must approve a proposed MSRB rule change if the Commission finds the proposal is consistent with the requirements of the Act and the rules and regulations thereunder that govern the MSRB.⁸ The Commission finds that the proposed rule change meets this standard. In

⁵ For primary offerings subject to Exchange Act Rule 15c2-12, the final official statement and Form G-36(OS) must be sent to the MSIL® system within one business day after receipt of the official statement from the issuer, but no later than ten business days after the sale date of the offering. For most primary offerings exempt from Rule 15c2-12 for which an official statement in final form is being prepared, such official statement and Form G-36(OS) must be sent to the MSIL® system by the later of one business day after the closing of the underwriting or one business day after receipt of the official statement from the issuer. Rule G-36(c)(iii) provides exemptions from the rule requirements for certain limited types of offerings.

⁶ The advance refunding document and Form G-36(ARD) must be sent to the MSIL® system within five business days after the closing of the underwriting.

⁷ See Rule G-32 Interpretation—Notice Regarding Electronic Delivery and Receipt of Information by Brokers, Dealers and Municipal Securities Dealers, November 20, 1998, *MSRB Rule Book*, (January 1, 2001) at 161.

⁸ In approving this proposed rule change, the Commission notes that it has considered the proposed rule's impact on efficiency, competition, and capital formation. 15 U.S.C. 78c(f).

particular, the Commission finds that the proposed rule is consistent with the requirements of Section 15B(b)(2)(C) of the Act,⁹ which requires, in pertinent part, that the MSRB's rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national system, and, in general, to protect investors and the public interest.

It Is Therefore Ordered, pursuant to Section 19(b)(2) of the Act¹⁰, that the proposed rule change (File No. MSRB-2001-03) be, and it hereby is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹¹

Margaret H. McFarland,

Deputy Secretary.

[Release No. 34-44642; File No. MSRB-2001-04]

Self-Regulatory Organizations; Municipal Securities Rulemaking Board (MSRB); Order Granting Approval of Proposed Rule Change Relating to In-firm Delivery of the Regulatory Element of the Continuing Education Requirement

August 1, 2001.

On June 14, 2001, the Municipal Securities Rulemaking Board ("MSRB") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 10(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to amended rules G-3, on professional qualifications, rule G-8, on books and records, G-9, on record retention, and G-27, on supervision. The proposed rule change will allow dealers to provide in-firm delivery of the Regulatory Element of the continuing education requirement.

The proposed rule change was published for comment in the **Federal**

Register on June 28, 2001.³ The Commission received no comments on the proposal. This order approves the proposal.

In its current form, Rule G-3(h)(i)(A)(1) requires that each registered person who is not exempt from the rule, complete the Regulatory Element on the occurrence of his or her second registration anniversary and every three years thereafter. The Regulatory Element is a three and one half hour computer-based training program previously only administered at the location of an outside vendor. On each occasion, the training must be completed within 120 days after the registered person's anniversary date. A registered person who has not completed the Regulatory Element within the prescribed time periods is deemed to be inactive until the Regulatory Element has been fulfilled, and may not conduct, or be compensated for, activities requiring a securities registration.

The MSRB proposed rule change integrates the in-firm delivery requirements as specified by the Securities Industry/Regulatory Council on Continuing Education ("Council"), an overseer of the continuing education program for the securities industry. The Council recommends and assists in developing specific content and questions for the Regulatory Element, and minimum core curricula for the Firm Element. The Council, working with representatives from the North American Securities Administrators Association, and with the knowledge of the Council's Securities and Exchange Commission liaisons, developed a model under which brokers, dealers and municipal securities dealers may deliver the Regulatory Element computer-based training on firm premises. The model requires that the broker, dealer or municipal securities dealer meet certain conditions for in-firm delivery relating to supervision, computer hardware and security of the training delivery environment.

The Commission believes the proposed rule change is consistent with the protection of investors and the public interest on account that it facilitates the ability of registered persons to satisfy their obligations to meet the Regulatory Element of the continuing education requirement. Additionally, the Commission believes that the proposed rule change will not impose any burden on competition, since it equally applies to all brokers,
