

of why the entry is deserving of an award; and requiring information from three (3) independent references for the proposed entry. Applicants should also submit additional supporting documentation as necessary. Specific directions and information on filing an entry form are included in the Entry Package available through the directions above. The deadline for all submission of entries is September 28, 2001.

JUDGING AND AWARD CRITERIA: Judging will be accomplished through a screening process conducted by EPA staff, with input from outside subject experts, as needed. Advice on the awards will be obtained from the Clean Air Act Advisory Committee (CAAAC), a policy-level advisory committee to EPA. This advice will be forwarded to the EPA Assistant Administrator for Air and Radiation, who will make the final decisions. All decisions on the awards will be the responsibility of EPA. Entries will be judged using both general criteria and criteria specific to each individual category. There are four (4) general criteria: (1) The entry directly or indirectly (*i.e.*, encouraging actions) reduces emissions of criteria pollutants, and/or hazardous/toxic air pollutants; (2) The entry demonstrates innovation and uniqueness; (3) The entry provides a model for others to follow (*i.e.*, it is replicable); and (4) The positive outcomes from the entry are continuing/sustainable. Although not required to win an award, the following general criteria will also be considered in the judging process: (1) The entry has positive effects on other environmental media in addition to air; (2) The entry demonstrates effective collaboration and partnerships; and (3) The individual or organization submitting the entry has effectively measured/evaluated the outcomes of the project, program, technology, etc. As mentioned above, additional criteria will be used for each individual award category. These criteria are listed in the 2001 Entry Package.

FOR FURTHER INFORMATION Concerning this new awards program please use the CAAAC Web site cited above or contact Paul Rasmussen at the telephone and address cited above.

Dated: July 31, 2001.
