[Docket No. RP00-468-001]

**Texas Eastern Transmission, LP;
Notice of Compliance Filing**

August 7, 2001.

Take notice that on July 31, 2001, Texas Eastern Transmission, LP (Texas Eastern) tendered for filing pro forma tariff sheets in compliance with Order No. 637 and in conformance with order of the Commission issued in the captioned docket on June 12, 2001.

Texas Eastern states that the purpose of this filing is to comply with the requirement of Order No. 637 *et seq.* to file pro forma tariff sheets for the purpose of implementing certain tariff changes relating to scheduling procedures, capacity segmentation, imbalance management, and penalties, or to explain why the Order No. 637 requirements do not apply to the pipeline's tariff and operating practices and with the Commission's June 12, 2001 order to refile, as appropriate, Order No. 637 pro forma tariff sheets.

Texas Eastern states that copies of its filing have been mailed to all affected customers and interested state commissions.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection. This filing may also be viewed on the web at <http://www.ferc.gov> using the "RIMS" link, select "Docket #" and follow the instructions (call 202-208-2222 for assistance). Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site under the "e-Filing" link.

[Docket No. EG99-69-000, et al.]

**Elwood Energy LLC, et al.; Electric
Rate and Corporate Regulation Filings**

August 6, 2001.

Take notice that the following filings have been made with the Commission:

1. Elwood Energy LLC

[Docket No. EG99-69-000]

Take notice that on August 1, 2001, Elwood Energy LLC (Elwood) filed with the Federal Energy Regulatory Commission an application for redetermination of exempt wholesale generator status pursuant to Part 365 of the Commission's regulations.

Elwood, Elwood Energy II, LLC (Elwood II) and Elwood Energy III, LLC (Elwood III) are all exempt wholesale generators owned 50%, directly or indirectly, by subsidiaries (Dominion Entities) of Dominion Resources, Inc. (Dominion), a public utility holding company registered under the 1935 Act, and 50% by subsidiaries (PEC Entities) of Peoples Energy Corporation (PEC), an exempt public utility holding company under the 1935 Act. The mergers of Elwood II, LLC and Elwood III, LLC, with and into Elwood as the surviving entity, and certain related mergers among the Dominion Entities and among the PEC Entities (collectively, the Mergers) were authorized by the Commission in its July 20, 2001 Order Authorizing Disposition of Jurisdictional Facilities and Corporate Reorganization in Docket No. ER01-121-000. Upon completion of the Mergers, Elwood will be owned 50% by Dominion Elwood, Inc., a Delaware corporation, a wholly-owned subsidiary of Dominion Energy, Inc. which, in turn, is a wholly-owned subsidiary of Dominion, and 50% by Peoples Elwood, LLC, a wholly-owned subsidiary of PERC Power, Inc., which, in turn, is a wholly-owned subsidiary of Peoples Energy Resources Corp., which, in turn, is a wholly-owned subsidiary of PEC.

Upon completion of the Mergers, Elwood will own, in addition to the generation facilities it owned before the Mergers, those generation facilities formerly owned by Elwood II and Elwood III, all of which previously have been determined by the Commission to eligible facilities in connection with its orders determining Elwood, Elwood II and Elwood III to be exempt wholesale generators. Elwood also will own interconnection facilities, including generator leads, step up transformers

and associated circuit breakers, used solely for interconnection with the transmission system of Commonwealth Edison Company.

Comment date: August 27, 2001, in accordance with Standard Paragraph E at the end of this notice. The Commission will limit its consideration of comments to those that concern the adequacy or accuracy of the application.

**2. Dominion North Star Generation,
Inc.**

[Docket No. EG01-272-000]

Take notice that on August 1, 2001, Dominion North Star Generation, Inc. (Dominion North Star) filed with the Federal Energy Regulatory Commission an application for determination of exempt wholesale generator status pursuant to Part 365 of the Commission's regulations.

Dominion North Star, a Delaware corporation, is a wholly owned subsidiary of Dominion Energy, Inc., which in turn is a wholly owned subsidiary of Dominion Resources, Inc.

Dominion North Star will, through its affiliate North Star Generation, LLC, be exclusively engaged in the business of owning, operating and selling electricity exclusively at wholesale from an electric generating facility located in North Star Township, Gratiot County, Michigan. The Facility will consist of three gas-fired GE 7FA turbine generator sets and related ancillary equipment and structures and will have a combined nominal rating of approximately 510 MW. The Facility will also include as yet undetermined transmission interconnection facilities. The facility will be interconnected with the transmission system of the Michigan Electric Transmission Company.

Comment date: August 27, 2001, in accordance with Standard Paragraph E at the end of this notice. The Commission will limit its consideration of comments to those that concern the adequacy or accuracy of the application.

**3. Dominion North Star Generation,
Inc.**

[Docket No. EG01-273-000]

Take notice that on August 1, 2001, Dominion North Star Generation, Inc. (Dominion North Star) filed with the Federal Energy Regulatory Commission an application for determination of exempt wholesale generator status pursuant to Part 365 of the Commission's regulations.

Dominion North Star, a Delaware corporation, is a wholly owned subsidiary of Dominion Energy, Inc., which in turn is a wholly owned subsidiary of Dominion Resources, Inc.
