

of Hydropower Administration and Compliance, Federal Energy Regulatory Commission, at the above-mentioned address. A copy of any notice of intent, competing application or motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

s. Agency Comments—Federal, state, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

David P. Boergers,

Secretary.

BILLING CODE 6717-01-P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

Notice of Application Accepted for Filing and Soliciting Motions to Intervene, Protests, and Comments

August 15, 2001.

Take notice that the following hydroelectric application has been filed with the Commission and is available for public inspection:

a. *Type of Application:* Preliminary Permit.

b. *Project No.:* 12065-000.

c. *Date filed:* July 3, 2001.

d. *Applicant:* Symbiotics, LLC.

e. *Name of Project:* Big Timber.

f. *Location:* On the Big Timber River, in Sweet Grass County, Montana. Would be located on U.S. Forest Service lands.

g. *Filed Pursuant to:* Federal Power Act, 16 U.S.C. 791(a)-825(r).

h. *Applicant Contact:* Mr. Brent L. Smith, President, Northwest Power Services, Inc., P.O. Box 535, Rigby, ID 83442, (208) 745-8630.

i. *FERC Contact:* Robert Bell, (202) 219-2806.

j. *Deadline for filing motions to intervene, protests and comments:* 60 days from the issuance date of this notice.

All documents (original and eight copies) should be filed with: David P. Boergers, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. Comments, motions to intervene, and protests may be electronically filed via the Internet in lieu of paper. See 18 CFR 385.2001(a)(1)(iii) and the instructions

on the Commission's web site at <http://www.ferc.gov> under "e-filing" link. Please include the project number (P-12065-000) on any comments or motions filed.

The Commission's Rules of Practice and Procedure require all interveners filing documents with the Commission to serve a copy of that document on each person in the official service list for the project. Further, if an intervener files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

k. *Description of Project:* The proposed project would consist of: (1) A proposed 120-foot-long, 10-foot-high diversion dam, (2) a proposed impoundment having a surface area of 1 acre with negligible storage and normal water elevation of 6,780 feet msl, (3) a proposed 2,000-foot-long, 48-inch-diameter steel penstock, (4) a proposed powerhouse containing four generating units with a total installed capacity of 2.86 MW, (5) a proposed 5-mile-long, 15 kV transmission line, and (6) appurtenant facilities.

The project would have an annual generation of 14.4 GWh that would be sold to a local utility.

l. A copy of this filing is on file with the Commission and is available for public inspection. This filing may be viewed on the Commission's web site at <http://www.ferc.gov> using the "RIMS" link select docket # and follow the instructions ((202) 208-2222 for assistance). A copy is also available for inspection and reproduction at the address in item h above.

m. Preliminary Permit—Anyone desiring to file a competing application for preliminary permit for a proposed project must submit the competing application itself, or a notice of intent to file such an application, to the Commission on or before the specified comment date for the particular application (see 18 CFR 4.36).

Submission of a timely notice of intent allows an interested person to file the competing preliminary permit application no later than 30 days after the specified comment date for the particular application. A competing preliminary permit application must conform with 18 CFR 4.30(b) and 4.36.

n. Preliminary Permit—Any qualified development applicant desiring to file a competing development application must submit to the Commission, on or before a specified comment date for the particular application, either a competing development application or a notice of intent to file such an

application. Submission of a timely notice of intent to file a development application allows an interested person to file the competing application no later than 120 days after the specified comment date for the particular application. A competing license application must conform with 18 CFR 4.30(b) and 4.36.

o. Notice of intent—A notice of intent must specify the exact name, business address, and telephone number of the prospective applicant, and must include an unequivocal statement of intent to submit, if such an application may be filed, either a preliminary permit application or a development application (specify which type of application). A notice of intent must be served on the applicant(s) named in this public notice.

p. Proposed Scope of Studies under Permit—A preliminary permit, if issued, does not authorize construction. The term of the proposed preliminary permit would be 36 months. The work proposed under the preliminary permit would include economic analysis, preparation of preliminary engineering plans, and a study of environmental impacts. Based on the results of these studies, the Applicant would decide whether to proceed with the preparation of a development application to construct and operate the project.

q. Comments, Protests, or Motions to Intervene—Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

r. Filing and Service of Responsive Documents—Any filings must bear in all capital letters the title "COMMENTS", "NOTICE OF INTENT TO FILE COMPETING APPLICATION", "COMPETING APPLICATION", "PROTEST", "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. Any of the above-named documents must be filed by providing the original and the number of copies provided by the Commission's regulations to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. An additional

copy must be sent to Director, Division of Hydropower Administration and Compliance, Federal Energy Regulatory Commission, at the above-mentioned address. A copy of any notice of intent, competing application or motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

s. Agency Comments—Federal, state, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

David P. Boergers,

Secretary.

BILLING CODE 6717-01-P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

Notice of Draft License Application and Preliminary Draft Environmental Assessment (PDEA) and Request for Preliminary Terms and Conditions

August 15, 2001.

Take notice that the following hydroelectric application has been filed with the Commission and is available for public inspection:

a. *Type of Application:* Draft—New Major License.

b. *Project No.:* 637-016.

c. *Applicant:* Public Utility District No.1 of Chelan County (Chelan PUD).

d. *Name of Project:* Lake Chelan Hydroelectric Project.

e. *Location:* On the Chelan River in Chelan County, Washington. The project occupies about 465 acres of federal lands administered by the U.S Forest Service and the National Park Service.

f. *Applicant Contact:* Gregg Carrington, Chelan PUD, 327 North Wenatchee Avenue, P.O. Box 1231, Wenatchee, Washington 98807-1231, 509-663-8121 or within Washington State toll-free at 888-663-8121, email: gregg@chelanpud.org.

g. *FERC Contact:* Vince Yearick, FERC, 888 First Street, NE, Room 61-11, Washington, DC 20426, (202) 219-3073, email: vince.yearick@ferc.fed.us.

h. Chelan PUD distributed, to interested parties and Commission staff, an initial review version of their Preliminary Draft Environmental Assessment (PDEA) and draft

application to interested parties on February 5, 2001 with a 90-day comment period. Chelan PUD distributed, to interested parties and Commission staff, a revised version of the PDEA and draft application to interested parties on August 15, 2001.

i. With this notice we are soliciting preliminary terms, conditions, and recommendations on the PDEA and draft license application that were distributed on August 15, 2001. All comments on the PDEA and draft license application should be sent to the Chelan PUD address above in item (f) with one copy sent to Commission staff at the address above in item (g). For those wishing to file comments with the Commission, an original and eight copies must be filed at the following address: Federal Energy Regulatory Commission, David P. Boergers, Secretary, 888 First St. NE., Washington, DC 20426. All comments should include the project name and number, and bear the heading "Preliminary Comments," "Preliminary Recommendations," "Preliminary Terms and Conditions," or "Preliminary Prescriptions." Comments and preliminary recommendations, terms and conditions, and prescriptions may be filed electronically via the Internet in lieu of paper. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site (<http://www.ferc.gov>) under the "e-Filing" link.

j. *Comment deadline:* Any party interested in commenting must do so before October 15, 2001.

k. *Locations of the application:* A copy of the draft application and PDEA are on file with the Commission and are available for public inspection. This filing may also be viewed on the web at <http://www.ferc.gov> using the "RIMS" link—select "Docket #" and follow the instructions (call 202-208-2222 for assistance). Copies are also available for inspection and reproduction at the address in item f above.

David P. Boergers,

Secretary.

BILLING CODE 6717-01-P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

Revised Notice of Application Accepted for Filing and Soliciting Motions to Intervene, Protests, and Comments

August 15, 2001.

Take notice that the following hydroelectric application has been filed

with the Commission and is available for public inspection:

a. *Type of Application:* Preliminary Permit.

b. *Project No.:* 11873-000.

c. *Date filed:* January 23, 2001.

d. *Applicant:* Symbiotics, LLC.

e. *Name of Project:* Star Falls Project.

f. *Location:* On the Snake River, in Twin Falls and Jerome Counties, Idaho. Would occupy federal land managed by the Bureau of Land Management.

g. *Filed Pursuant to:* Federal Power Act, 16 U.S.C. 791(a)-825(r).

h. *Applicant Contact:* Mr. Brent L. Smith, President, Northwest Power Services, Inc., P. O. Box 535, Rigby, ID 83442, (208) 745-8630.

i. *FERC Contact:* Robert Bell, (202) 219-2806.

j. *Deadline for filing motions to intervene, protests and comments:* 30 days from the issuance date of this notice.

All documents (original and eight copies) should be filed with: David P. Boergers, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE, Washington, D.C. 20426.

Please include the project number (P-11873-000) on any comments, protests, or motions filed.

The Commission's Rules of Practice and Procedure require all interveners filing documents with the Commission to serve a copy of that document on each person in the official service list for the project. Further, if an intervener files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

k. *Description of Project:* The proposed project would consist of: (1) A proposed 400-foot-long, 20-foot-high diversion dam, (2) a proposed impoundment having a surface area of 14 acres with negligible storage, (3) two proposed 1,300-foot-long, 24-foot-diameter steel penstocks, (4) a proposed powerhouse containing two generating units having a total installed capacity of 25 MW, (5) a proposed 138 kV transmission line, and (6) appurtenant facilities. The project would have an annual generation of 104 GWh that would be sold to a local utility.

On April 3, 2001, the Commission issued a public notice with a comment period ending on June 4, 2001. The notice contained an inaccurate description of the project in that the project dam was described as existing instead of proposed.

All comments filed to date will be considered. If you wish to revise your comments in view of this corrected
