Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Health Resources and Services Administration (HRSA) publishes abstracts of information collection requests under review by the Office of Management and Budget, in compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35). To request a copy of the clearance requests submitted to OMB for review, call the HRSA Reports Clearance Office on (301)–443–1129.

The following request has been submitted to the Office of Management and Budget for review under the Paperwork Reduction Act of 1995.

Proposed Project: Healthy Schools, Healthy Communities Program Data Collection and Progress Report (OMB No. 0915–0188)—Revision

This is a request for revision of approval of the Healthy Schools, Healthy Communities Program Data Collection, which contains the annual reporting requirements for the Healthy Schools, Healthy Communities grantees funded by the Bureau of Primary Health Care (BPHC), HRSA. Authorizing legislation is found in Public Law 104–299, Health Center Consolidation Act of 1996, enacting Section of the Public Health Service Act.

The Healthy Schools, Healthy Communities program provides comprehensive primary and preventive health care services. The purpose of the progress report is to collect data specific to school health services, such as service utilization, health problems and risk behaviors.

The estimated response burden is as follows:

Form	Number of respondents	Responses per respondent	Hours per response	Total burden hour
Progress Report	265	1	2	530

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to: John Morrall, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503.

Dated: August 14, 2001.

Jane M. Harrison,

Director, Division of Policy Review and Coordination.

National Institutes of Health

Submission for OMB Review; Comment Request; Leukemia and Other Hematological Diseases Among Cleanup Workers in Ukraine Following the Chernobyl Accident

SUMMARY: Under the provisions of Section 3507(a)(1)(D) of the Paperwork Reduction Act of 1995, the National Cancer Institute, the National Institutes of Health (NIH) has submitted to the Office of Management and Budget (OMB) for review and approval of the information collection listed below. This proposed information collection was previously published in the **Federal Register** on May 30, 2001, page 29336–29337 and allowed 60 days for public comment. No public comments were received. The purpose of this notice is to allow an additional 30 days for public comment. The National Institutes of Health may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

Proposed Collection: Title: Leukemia and Other Hematological Diseases Among Cleanup Workers in Ukraine Following the Chernobyl Accident. *Type of Information Collection Request:* New. *Need and Use of Information Collection:* A case-control study will be conducted to investigate the risk of radiation-induced leukemia and other hematological diseases among Chernobyl cleanup workers in Ukraine. Cases and controls (or proxies) will be interviewed to provide details of their work during the Chernobyl cleanup operation. The interview responses combined with environmental measurements will permit individual bone marrow dose estimates to be
