**SUPPLEMENTARY INFORMATION:** On August 7, 2001, we published in the **Federal Register** (66 FR 41195-41197, Docket No. 01-064-1) a notice regarding the Animal Disease Risk Assessment, Prevention, and Control Act of 2001. In that notice, we solicited comments on the development of a report required by that Act and announced that we would be hosting a public meeting on that subject.

Comments on the development of the report were required to be received on or before September 6, 2001, and the public meeting was scheduled to take place on August 24, 2001. We are extending the comment period on Docket No. 01-064-1 for an additional 30 days until October 9, 2001. We are also postponing the public meeting; that meeting is now scheduled for September 28, 2001. This action will allow interested persons additional time to prepare and submit comments.

Done in Washington, DC, this 16th day of August 2001.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

The Codex Alimentarius Commission was established in 1962 by two United Nations organizations, the Food and Agriculture Organization (FAO) and the World Health Organization (WHO). Codex is the major international organization for encouraging fair international trade in food and protecting the health and economic interests of consumers. Through adoption of food standards, codes of practice, and other guidelines developed by its committees, and by promoting their adoption and implementation by governments, Codex seeks to ensure that the world's food supply is sound, wholesome, free from adulteration, and correctly labeled.

The CCNFSDU was established to study specific nutritional problems assigned to it by the Commission and advise the Commission on general nutritional issues; to draft general provisions as appropriate, concerning the nutritional aspects of all foods; to develop standards, guidelines or related texts for foods for special dietary uses, in cooperation with other committees when necessary; and to consider, amend if necessary, and endorse provisions on nutritional aspects proposed for inclusion in Codex standards, guidelines and related texts. The committee is hosted by the Federal Republic of Germany.

##### **Issues to be Discussed at the Public Meeting**

The following items will be on the Agenda for the 23rd Session of the Committee and will be discussed at this meeting. Documents related to these items will be issued from Codex in Rome and will be available prior to the meeting.

- Guidelines for Use of Nutrition Claims: Draft Table of Conditions for Nutrient Contents: Dietary Fibre
- Draft Revised Standard for Gluten-Free Foods

- Proposed Draft Revised Standard for Processed Cereal-Based Foods for Infants and Young Children
- Proposed Draft Revised Standard for Infant Formula
- Proposed Draft Guidelines for Vitamin and Mineral Supplements
- Proposed Draft Revision of the Advisory List(s) of Mineral Salts and Vitamin Compounds for the Use in Foods for Infants and Young Children (CAC/GL 10-1979)
- Discussion Paper on Review of Provisions for Vitamins and Minerals in Codex Standards: Vitamins and Minerals in Foods for Special Medical Uses
- Discussion Paper on Energy Conversion Factors
- Discussion Paper on Recommendations of the FAO/WHO Expert Consultation on Food Consumption and Exposure Assessment of Chemicals
- Sports and Energy Drinks

#### Public Meeting

At the October 12th public meeting, the issues and draft United States positions on the issues will be described, discussed, and attendees will have the opportunity to pose questions and offer comments. Comments may be sent to the FSIS Docket Room (*see ADDRESSES*). Please state that your comments relate to CCFNSDU activities and specify which issues your comments address.

#### Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, in an effort to better ensure that minorities, women, and persons with disabilities are aware of this notice, FSIS will announce it and provide copies of this **Federal Register** publication in the FSIS Constituent Update. FSIS provides a weekly FSIS Constituent Update, which is communicated via fax to over 300 organizations and individuals. In addition, the update is available on-line through the FSIS web page located at <http://www.fsis.usda.gov>. The update is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, recalls, and any other types of information that could affect or would be of interest to our constituents/stakeholders. The constituent fax list consists of industry, trade, and farm groups, consumer interest groups, allied health professionals, scientific professionals, and other individuals that have requested to be included. Through these various channels, FSIS is able to provide information to a much broader,

more diverse audience. For more information and to be added to the constituent fax list, fax your request to the Congressional and Public Affairs Office, at (202) 720-5704.

Done at Washington, DC on: August 16, 2001.
