

mechanical, or other technological collection techniques or other forms of information technology.

Section 4 of the Indian General Allotment Act of February 8, 1887 (43 U.S.C. 1740) provides that, if you are an Indian eligible for an allotment, you may apply for an allotment. To establish you are eligible, you must furnish documentation from the Bureau of Indian Affairs (BIA) showing you are an Indian who meets the requirements of the Act. If you are eligible, your minor child also qualifies to file for an allotment under the Act. You must apply to the BLM office having jurisdiction over the lands covered by your application.

BLM uses Form 2530-3 to collect the following information:

(1) The name and address of the applicant; if a minor child, the name, age of child, and the applicant's relationship to the child;

(2) The name of the Indian tribe to which the applicant belongs or is eligible to belong;

(3) A Certificate of Indian Blood from the BIA and the name of the recognized Indian tribe to which you claim membership or be eligible for membership to a recognized Indian tribe;

(4) A legal land description of the lands applied for (by township, range, meridian, section, subdivision, and State);

(5) A plan of development that describes the proposed agricultural or grazing land use and a description of the improvements that the applicant plans to place on the lands;

(6) Any allotments that the applicant received previously from BLM; and

(7) The applicant must certify their knowledge of the lands, is the person named in the BIA Certificate of Indian Blood, and makes true, accurate, and good faith statements on the application.

BLM uses the information to determine whether or not to issue an Indian allotment. Without this information, BLM would not be able to properly administer Indian allotments on public lands and public domain lands within national forests.

Based upon BLM experience and recent tabulations of activity, we process approximately 16 applications each year. The public reporting information collection burden varies from 30 minutes to 2 hours to complete. The estimated number of responses per year is 16. The estimated total annual burden is 13 hours.

BLM will summarize all responses to this notice and include them in the request for OMB approval. All

comments will become a matter of public record.

Dated: July 31, 2001.

BLM Information Collection Clearance Officer.

SUPPLEMENTARY INFORMATION: By virtue of the authority vested in the Secretary of the Interior by Section 204 of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1714 (1994), it is ordered as follows:

1. The Executive Order dated February 18, 1870, which withdrew and reserved public land for use by the War Department for Fort Wingate is hereby modified to establish a 20-year term for the land described below. Jurisdiction of the following described land is hereby transferred from the Secretary of Defense/Secretary of the Army to the Secretary of the Interior and reserved for use and administration by the Bureau of Indian Affairs:

Parcel 15 and Parcel 17 of the administrative survey plat titled "ADMINISTRATIVE SURVEY OF CERTAIN PARCELS WITHIN FORT WINGATE ARMY DEPOT, NEW MEXICO," approved and dated September 18, 2000, on file at the Bureau of Land Management's New Mexico State Office, Santa Fe, New Mexico; excluding the area identified as "Right-of-Way" on the survey plat titled "TOWNSHIP 15 NORTH, RANGE 16 WEST OF THE NEW MEXICO PRINCIPLE MERIDIAN, NEW MEXICO, WITHIN THE FORT WINGATE ARMY DEPOT, ADMINISTRATIVE RIGHT-OF-WAY SURVEY," dated and approved October 10, 2000, on file at the New Mexico State Office.

2. The land described in Paragraph 1 continues to be withdrawn from settlement, sale, location, or entry under the general land laws, including the United States mining laws (30 U.S.C. Ch.2 (1994)), but not from leasing under the mineral leasing laws, to protect an area having cultural, historical, geological and archeological significance to the Navajo Nation and the Pueblo of Zuni. The withdrawn land is to be managed by the Bureau of

Indian Affairs for these values, as well as other compatible uses.

3. The land and resources shall be managed by the Bureau of Indian Affairs, its successors or assigns, in accordance with the Memorandum of Agreement between the Ballistic Missile Defense Organization and the Department of the Interior dated June 13, 2000. 6. This withdrawal will expire 20 years from the effective date of this order unless, as a result of a review conducted before the expiration date pursuant to Section 204(f) of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1714(f) (1994), the Secretary determines that the withdrawal shall be extended.
