Kugler by telephone at 1 (800) 368-5642, extension 2828, or by Internet to the NRC at ajk1@nrc.gov no later than October 5, 2001. Members of the public may also register to speak at the meeting within 15 minutes of the start of each session. Individual oral comments may be limited by the time available, depending on the number of persons who register. Members of the public who have not registered may also have an opportunity to speak, if time permits. Public comments will be considered in the scoping process for the supplement to the GEIS. If special equipment or accommodations are needed to attend or present information at the public meeting, the need should be brought to Mr. Kugler's attention no later than October 5, 2001, so that the NRC staff can determine whether the request can be accommodated.

Members of the public may send written comments on the environmental scoping process for the supplement to the GEIS to: Chief, Rules and Directives Branch, Division of Administrative Services, Office of Administration, Mailstop T-6 D 59, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001.

Participation in the scoping process for the supplement to the GEIS does not entitle participants to become parties to the proceeding to which the supplement to the GEIS relates. Notice of opportunity for a hearing regarding the renewal application was the subject of the aforementioned **Federal Register** notice of acceptance for docketing. Matters related to participation in any hearing are outside the scope of matters to be discussed at this public meeting.

At the conclusion of the scoping process, the NRC will prepare a concise summary of the determination and conclusions reached, including the significant issues identified, and will send a copy of the summary to each participant in the scoping process. The summary will also be available for inspection through the PERR link. The staff will then prepare and issue for comment the draft supplement to the GEIS, which will be the subject of separate notices and a separate public meeting. Copies will be available for public inspection at the above-mentioned addresses, and one copy per request will be provided free of charge. After receipt and consideration of the comments, the NRC will prepare a final supplement to the GEIS, which will also be available for public inspection.

Information about the proposed action, the supplement to the GEIS, and the scoping process may be obtained from Mr. Kugler at the aforementioned telephone number or e-mail address.

Dated at Rockville, Maryland, this 28th, day of August 2001.

PRESIDIO TRUST

The Presidio of San Francisco, California; Extension of the Public Comment Period for the Draft Presidio Trust Implementation Plan and Draft Environmental Impact Statement

AGENCY: The Presidio Trust.

ACTION: Extension of public comment period.

SUMMARY: The Presidio Trust (Trust) is extending the public comment period for the draft Presidio Trust Implementation Plan (PTIP) and draft Environmental Impact Statement (EIS) from September 25, 2001 to October 25, 2001 to provide additional opportunity for the public to review and comment on the draft PTIP and EIS. The draft PTIP is a proposed update to the July 1994 Final General Management Plan Amendment (GMPA) for the portion of The Presidio of San Francisco (Presidio) under the jurisdiction of the Trust. The PTIP EIS supplements the GMPA Environmental Impact Statement adopted by the National Park Service for the Presidio in 1994.

SUPPLEMENTARY INFORMATION: The Trust, as lead agency, released and circulated for review to the public and commenting agencies the draft EIS for the PTIP on July 25, 2001. The Environmental Protection Agency (EPA) published a notice of the draft EIS in the **Federal Register** on July 27, 2001 (66 FR 39161). parties, the Trust is now extending this period by 30 days to October 25, 2001. The Trust is providing this longer 90-day review period to further enhance the opportunities for public and agency participation in the National Environmental Policy Act process for the PTIP.
